Speaker-MILTON ZASLOW- subject: "THE POLICE CONSPIRACY TO
DESTROY THE BLACK PANTHER PARTY".

Number of persons attending:---about 40 to 50

Money collected:--No sum was announced

Two collections were taken:--

1-----To defray the costs to the Church for the use of
the hall.

2-----Voluntary offerings

MILTON ZASLOW made statements as follows, in substance:--

NO PANTHER has EVER SHOT A POLICEMAN. The POLICE have always
shot first. The concept of the PANTHERS--that is:--THEIR CODE
is:--ARM ONLY FOR SELF DEFENSE. The PANTHERS no longer carry
GUNS. They have guns in their homes and in their head quarters.
These guns are for SELF DEFENSE.

The PANTHERS are all MARXIST-LENINISTS. They had not studied
this, but they naturally developed beliefs in these principles
although they had not consciously patterned what they did
along ANY line.

They had begun by "HUEY NEWTON'S HOLDING A RIFLE". This was legal
at that time. The RIFLE was a symbol of MANHOOD at a time when
the POLICE were BULLYING and HARRASSING the BLACK COMMUNITY.

NEWTON got into an argument with the police over the existance
of a group he had formed (in the black community). The POLICE
TOLD THE GROUPS TO BREAK IT UP. The POLICE TRIED TO KILL HIM,
but they missed. They shot him in the stomach, but he recover
ed.

NEWTON organized the PANTHERS because of the OPPRESSION of the
BLACK PEOPLE by the POWER STRUCTURE, and the HARRASSMENT of the
BLACK COMMUNITY by the POLICE. All the PANTHERS were "NATURAL"
MARXISTS.

NEWTON BELIEVED that there was VERY LITTLE TIME LEFT. SOMETH-
THING had to be done almost IMMEDIATELY. --(continued)-----

MILTON ZASLOW made statements in substance:- page-2-
-----continued-----

If there was NOT a CLASS WAR in the USA, the the BLACK PEOPLE would HAVE to GO IT ALONE and there would HAVE to be a RACE WAR---which the USA could NOT STAND.

POLICE were MURDERING PANTHERS. It was GENECIDE.

HUTTON had come out with his hands up over his head and was gunned down by the POLICE. He was MURDERED by the POLICE without cause, and sso was another PANTHER.
shot

The POLICE had OTHER PANTHERS DEAD without cause, as in the pre-dawn raid on the PANTHER HEADQUARTERS in CHICAGO. In that raid a PANTHER had been SHOT THROUGH the HEAD while LYING in BED.

This CHICAGO INCIDENT had been investigated by several groups and all of these groups had determined that THAT RAID was CARRIED OUT WITHOUT any reason, for doing it, ---OTHER THAN the desire of the POLICE to ELIMINATE the PANTHERS by KILLING THEM.

Among the groups which investigated that incident, was an ORGANIZATION of BLACK POLICE OFFICERS who were either on the CHICAGO POLICE FORCE or on the police force in nearby communities. Others investigating and reporting on that incident were the NAACP, the BLACK STUDENT'S UNION etc. etc.

Even the POWER STRUCTURE recognized the fact that the PANTHERS were being persecuted without cause by the LAW ENFORCEMENT AGENCIES. The MAYOR of SEATTLE refused the request made by the TREASURY DEPT. of the USA,--for a PRE-DAWN RAID on the SEATTLE HEADQUARTERS of the BLACK PANTHER PARTY. The MAYOR said that there was NO KNOWN REASON for such a raid.

The reason that NO PANTHERS were KILLED in the PRE-DAWN RAID in LOS ANGELES was that the PANTHERS had FORTIFIED THEIR HEADQUARTERS with SAND BAGS and were able to HOLD OFF the POLICE until the TELEVISION NEWS, RADIO NEWS, and the PRESS were on the scene and were able to WITNESS and SHOW the PUBLIC just what the POLICE were DOING.

MILTON ZASLOW made statements in substance as follows:----

-----continued-----

Of those ARRESTED in the LOS ANGELES RAID on the PANTHER HEADQUARTERS, only ONE was out ON BAIL. The BAIL had been set SO HIGH that funds for the BAIL of the OTHERS could NOT BE RAISED.

MONEY was DISPARATELY NEEDED for BAIL. These PANTHERS should be OUT ON THE STREET. They were BADLY NEEDED to work for the BLACK PANTHER PARTY.

THAT was the problem. ALL the LEADERS who had been arrested and were then in jail--THROUGHOUT the USA were BADLY NEEDED to CARRY ON the struggle for their party.

A REVOLVING BAIL FUND was being formed. Among the persons who WERE HANDLING or WILL BE HANDLING this FUND were:--

MILTON ZASLOW, MERVYN DYMALLY, etc.----

PERSONS WITH SAVINGS ACCOUNT should withdraw such funds and make them available to this revolving fund.

SUCH MONIES, when supplied to this REVOLVING BAIL FUND would be AVAILABLE upon DEMAND or WHEN it BECAME AVAILABLE at such time as the CASE (for which BAIL had been supplied) would have come before the court and BAIL would NO LONGER be NEEDED.

CUPP had been organized at the ACLU office, although the ACLU had not participated in that organization. ---The ACLU was concerned with cases which related to the U.S. CONSTITUTION, whereas CUPP was concerned with persons arrested on criminal charges---also those who were already in custody on criminal charges, and were in need of bail. CUPP was also concerned with DEMONSTRATIONS and MORE DIRECT forms of ACTIVITY.

ZASLOW stated that he was the HEAD of the LIBERATION UNION (formerly FRIENDS of the PANTHERS) and an executive director of CUPP.

Some church had made \$ 400,000 available for bail for certain PANTHERS then in custody in the east. The bail for these----

PANTHERS was set at \$ 100,000 each. The LEADER of that group had finally been able to arrange bail and was out.

QUESTION & ANSWER PERIOD:--

ZASLOW:--When the majority of the people in the US finally understand how they must vote in order to stop the OPPRESSION and EXPLOITATION which has DEPRIVED them of the results of their OWN LABOR---when they learn this--- THEN they will know HOW TO VOTE.

When the PEOPLE vote to TAKE CONTROL of the USA, the POWER STRUCTURE---which is a very SMALL MINORITY in the US,--will NEVER give up CONTROL. ----The only way the PEOPLE will be ABLE to GET CONTROL will be by VIOLENCE.

Question:--Are the PANTHERS ANTI-SEMITIC?

ZASLOW:---He stated he was a JEW. When he was very young he had been a ZIONIST, but he soon realized that that was wrong. He was an ANTI-ZIONIST but he WAS NOT--ANTI-SEMITIC.

The PANTHERS were ANTI-ZIONISTS but they were NOT---ANTI-SEMITIC.-----In 1967 there had been one ANTI-SEMITIC POEM in a BLACK PANTHER paper. BILL BUCKLEY had cited that poem as proof that the PANTHERS were ANTI-SEMITIC.

There was also some confusion among BLACK PEOPLE because they were ANTI-WHITE, and they had not differentiated between JEWS and NON-JEWS among the WHITE PEOPLE, which caused this.

ZASLOW stated that he could not ask for contributions, but if people wished to contribute to the bail fund they could see him after the meeting had been adjourned.

Several persons went up to him and appeared to be obtaining more particulars regarding such matters.

Most of those attending were from 60 to 75 years old.

Purpose:

While this is considered a "General Meeting," the primary topic of discussion was related to anti-war activities planned for the week of April 13 thru 17, which is a planned national moratorium week.

~~CONFIDENTIAL~~ (U)

AGENDA

1. Campus Reports

A. CSCLA

[] reported that the following activities are planned at CSCLA for April 15th, 1970:

- Rally
- Speakers
- Literature/Poster Campaign
- Band
- Guerrilla Theatre
- Literature Table
- Endorsements for many campus groups
- Close cooperation with SDS

b6
b7c

B. El Camino College

[] reported that a rally and fund raising event, as well as other activities, would take place during that week.

C. Occidental College

Unknown person briefly discussed activities at this institution.

Note: Several other schools were mentioned while I was absent from the room. U

2. Progress Report (SMC Regional Activities)

Reported by []

A. Parade Permit.

- 1). The City of Los Angeles has refused to grant an SMC request for a parade permit covering the downtown Los Angeles area on April 15, 1970.
- 2). The American Civil Liberties Union (ACLU) is reportedly very optimistic that a lawsuit being initiated (by the ACLU) against the City of Los Angeles contesting this refusal will be decided in favor of the SMC.
- 3). [] reported that the SMC needs a person to act as a coordinator with the ACLU. He explained that this coordinator would provide necessary information about the SMC to the ACLU, represent the SMC in court, etc. [] then stated that he has been acting in this capacity, and because he is familiar with the duties, nominated himself for the position. He asked the group if there were any objections. When no objections were voiced, he declared that []
- 4). [] stated that this matter will be contested by the SMC before the Los Angeles Police Commission on April 8 (Wed) at 1345 hrs. Stated that this Commission told SMC that 48 persons could be seated. [] stated that he wants as many people as possible to attend, and encourages them to carry signs, etc.

B. Campus Complicity.

[] stated that an organization identified as "AACT" is involved with campus complicity related to the Vietnam War. [] further stated that he will approach [] of the Los Angeles Free Press in an attempt to devote a full-page ad to this activity (donated space).

C. Free Press.

[] stated that the Free Press has donated a full-page ad for the purpose of a debate between SMC and an organization identified as the "radical caucus". This debate will concern the April 15th anti-war activities.

D. Defense Monitors. (April 15th March)

- 1). Announced that [] will be in charge of the defense monitors.
- 2). Defense monitors meeting will be held at 2000 hrs on Wednesday, April 8, 1970, at 1930 New England Street, Los Angeles.
- 3). [] explained that defense monitors are very important because "the cops over plant people to provoke the crowd by throwing stones, attacking the march, and burning banks!"

E. Press Conference.

- 1). Tuesday, April 7, 1970 - Los Angeles Press Club, 1100 hrs.
- 2). Will deal with denial of parade permit.
- 3). [] approached the ACLU about holding a joint conference (press); however the ACLU preferred to conduct their own without joint participation. [] stated that he would again discuss this matter with the ACLU however.
- 4). Will attempt to have other groups (primarily the Peace Action Council - PAC) participate in the conference, and also to help defray the costs (\$25.00) of the Press Conference.

3. Fund Raising

- A. [] announced that [] has been sent down here from the Bay Area by SMC to be a fund raiser and trail blazer."

Note: [] is [] a member of YSA; previously a student at San Francisco State College. In October (10-18-69) of last year, he addressed an SMC anti-war conference at CSCLA, identifying himself as an SMC representative from SFSC. [] at the time of this (4-4-70) meeting, had been in Los Angeles for only one day. I learned from [] that he was sent to the Los Angeles area by the YSA to work within SMC.

[] stated the following:

- 1). That the Los Angeles Regional Office is very much in debt and in need of funds. He described the Office as being approximately \$900.00 in debt; with a \$350.00 printing bill and a \$400.00 debt to the SMC National Office.
- 2). Stated that "last night" (4-3-70) several persons went to a theatre where the movie "WOODSTOCK" is appearing, and by soliciting donations from those persons standing in line; were able to collect over \$50.00 for the SMC.

- ~~CONFIDENTIAL~~ (U)
- 3). People are encouraged to solicit donations from such lines at movie theatres, especially that particular movie.
 - 4). Plans are also being made to solicit donations from wealthy movie stars.
 - 5). A fund-raising event will be planned for after the April 15th Activities.
 - 6). At the present time, Regional SMC has approximately \$90.00 which has not been used to pay debts.

ADDITIONAL

1. [] was a member of SMC at CSCLA, he served (briefly) on the "Associated Students Board of Directors; Student Mobilization Committee," which was set up primarily by SWP/YSA/SMC members and advocates. [] is considered to be undesirable as when the BOD voted to allocate funds to the SMC, he voted against this move. He further threatened to sue the BOD when that body did allocate the funds to the SMC. He had little hospitality extended at this meeting, few persons even spoke to him. Most questioned his motivation for attending this meeting.
2. [] announced that the EL Camino SMC is sponsoring a fund-raising party to be held on Friday, April 8, 1970. This party will be in the El Camino College Cafeteria. He explained that the school administration will not permit his group to publicize this event in the Free Press, over the radio, or in other publications. He further stated that while his group couldn't do the advertising, if someone else were to do so it wouldn't be his fault (he hopes that someone will provide publicity for this event).
3. An unknown F/O announced that on April 25, 1970, a group in Long Beach will picket a napalm factory in that City, and requests outside participation.
4. In negotiations with the Peace Action Council (PAC), the SMC is going to try to get two speakers on the speakers platform for the April 15th rally in downtown Los Angeles. The two speakers will hopefully be:
 - A. [] representing the students
 - B. [] representing women

ALL OUT APRIL 15!

The Paris peace talks were announced on April Fool's Day, 1968. Two years later, and thousand of dead GIs later, not to mention the Vietnamese, it has become clear to all that these talks, like the bombing halts before them, are merely a public relations maneuver on the part of a government intent on continuing its intervention in the affairs of another people. After the recent disclosures of U.S. involvement in Laos, Thailand and Cambodia, who can be so naive as to believe in Nixon's "Vietnamization" hoax? The war is being spread to all of Southeast Asia. Already, American bombing raids in Laos have surpassed the peak raids on North Vietnam.

WE HAVE HAD ENOUGH! On April 15, hundreds of thousands of Americans will march in the streets, demanding the withdrawal of all American soldiers from Vietnam and the rest of Southeast Asia. Join us! The time to stand up and be counted is **NOW!**

MARCH & RALLY APRIL 15!

[redacted] Workshop III entitled, "The Prisons and Jails." Angela DAVIS introduced Mrs. Williams and Mrs. Maxwell, mothers of the "Soledad Brothers." She emphasized what had happened in Soledad Jail and that one of the prisoners had been held prisoner for ten years. She stated that three young men in the cell block were killed and that the judge who was handling the trial was Judge CAMPBELL who is a racist judge. She stated that the stairway in the jail had been ripped out and replaced to reconstruct evidence. The guard was chosen for the killing because of his marksmanship. She stated that the jails were racist, and in one instance in the Soledad Jail a knife had been brought in by the administration and given to a guard to use on a prisoner. In sources opinion, Angela DAVIS' speech was very much directed toward inciting people to riot.

Angela DAVIS stated there would be a picnic on May 3 at Exposition Park and a short rally. This picnic or gathering would differ from previous gatherings as this would be held to include relatives of prisoners whether they had a husband, son or a brother in jail. There will also be buses from Los Angeles to Salinas for the trials due to start on May 8.

Sue CASTRO stressed also that because of what was happening in the jails we needed financial support, reams of paper, fliers distributed. One unidentified male (40 years, medium height,

medium build, gray hair, beard, glasses) who stated he was from the LEGAL AID WARRANTY FUND at 206 W. 4th Street, Room 201, Santa Ana (see leaflet attached entitled, A REPORT FROM LEGAL AID WARRANTY FUND, which is regarding membership in subject organization and mentions survey recently conducted by this organization). There was some discussion between this man and Sue CASTRO who stated that it was important to get people out of jail, but the most important thing was to work on the people who were in jails.

A young man named Mike (investigator believes this to be Michael McCARTHY) who had been in jail (possibly on parole at this time) stated he was in jail at Soledad at the time of the killing. He mentioned the staircase being reconstructed and stated that the prisoners who were witnesses had either been released or transferred to other jails where the attorneys for the "Soledad Brothers" were unable to contact them.

Kendra ALEXANDER stated there would be a meeting on the Soledad Brothers next Thursday, April 16 at 288 E. 50th Street. Literature will be handed out at the April 15 moratorium in Los Angeles. Angela DAVIS stated we should be able to get people from the Moratorium to help in the rally for the Soledad Brothers and at the new Federal Building. Angela DAVIS stated the Federal Building rally would be held on May 2 and urged everyone to attend.

Mike also stated that the prison systems were not to rehabilitate, but to destroy. The mothers of the Soledad brothers spoke very briefly and asked for support for their sons. One mother stated her son had been in jail now for ten years. There was one F/Mex who spoke on the Hernandez brothers and said that the Chicano community was starting their own committee to work on the release of the Hernandez brothers. There was another woman (middle aged, gray hair) who suggested that there should be a citizens group to go into every prison. She also said she hated to use the better group of people. She thought maybe these people could be reached to be the ones to go in.

Angela DAVIS asked for various groups to organize in various cities on the 15th against the police department. One young man by the name of Vince ROSE (15 or 16 years old) stated he came from Compton and was a member of CHAKA. He stated that he was organizing Compton. Kendra ALEXANDER then asked him to contact her at the following phone number: 234-0946 at 288 East 50th Street (San Pedro & Main) where she would make literature available to him. The group then broke at approximately

4:00 p.m. for the committees to go into the main body and report what had come out of the group. The main body then came together for reports from the six workshops.

The first person, John WIRIN, was introduced by the man who chaired the meeting. John WIRIN who is from the ACLU gave a financial report. WIRIN stated that the budget for 1969 for the ACLU was \$35,000. There was a deficit of \$30,000 and he asked that the budget be accepted for 1970 and stated it should be \$45,000. A motion was made to accept this. Questions arose from the audience as to concentrating not only on black and white, but brown (Chicano) groups also. These questions came from Chicanos.

Rose CHERNIN then took over the microphone and stated that the ACLU would need money and that everyone in the room should go back to their own organizations and have their own organizations commit themselves to supporting the ACLU financially. She stated field workers were needed and we should support the black and brown communities.

The next speaker spoke on the High Schools (Workshop II). She stated there were fifteen points that came out of the workshop, and she emphasized most especially, community control. The list included the following:

- (1) Security guards be removed from all campuses.
- (2) Reinstatement of all teachers who had been fired or suspended for "political" reasons.
- (3) To institute community control with a fifteen man board. The board should include five students, five teachers and five members of the community with one vote each. That this would stop principal practices and override their vetos.
- (4) To put an end to systematically transferring traffic systems.
- (5) To eliminate I.Q. testing and have open administration in the colleges and free breakfasts for all students in Los Angeles County.
- (6) That all teachers be protected by the Bill of Rights.
- (7) To end all suspension of students.
- (8) Free clinics, abortions and child care center on campuses.

- (9) The draft rights information be placed in all guidance offices.
- (10) Open campus and student identification cards issued.
- (11) No discrimination on campus regarding speakers. That any speaker should be allowed to speak on any campus.
- (12) Ethnic classes, ie: black and Chicano history classes.
- (13) That English be taught to all Mexican students.
- (14) Labor history
- (15) Abolish ROTC on all campuses and immediate amnesty for all the Roosevelt High School arrestees.

A motion was made from the floor for an amendment to #13 which is English being taught to all Mexicans. A minority of the group felt that Mexicans should be taught English, but that Spanish should be taught to English speaking students also. This was vetoed. An amendment was made to #8 which is Free Clinics to add V.D.

The next workshop was on Immigration (Workshop IV) and the speaker was Delfino VARELA. He stated that the law is an economic tool, it is not legal, it is immoral, but people are forced into this country without documents and the law should be abolished and people should be allowed to enter as residents. He gave the following points:

- (1) Everyone in this country for one year will have job benefited labor.
- (2) That the people who were here and had been here for a year were allowed to remain.
- (3) That all visas be progressed by administration to allow these people here without visas to remain.
- (4) The people who were here without documents will unite and that MAPA (MEXICAN AMERICAN POLITICAL ASSOCIATION) had already formed a working committee. It was also stated that we should support the KENNEDY-FAGAN Law.

David WOODS spoke from the floor and wished to add the following amendments:

- (1) The immediate removal of ROSENBERG and DELVERSIO (phonetic).
- (2) Completely eliminate Rosenberg's office or appoint Chicanos to this office.

(3) That we support Channel 28.

It was also stated that we should open the Mexican border and make it as open as the Canadian Border. The chairman then asked Bert CORONA from labor and MAPA to speak. Bert CORONA had apparently left.

The next workshop was the Political Arrest and Political Trial (Workshop I). Angela DAVIS was the speaker. She spoke on the Soledad case and listed the following points:

- (1) We should not endorse any political candidate who would not support the "Soledad brothers."
- (2) That the trial and arrest of the "Soledad Brothers" and the Hernandez brothers should be publicized.
- (3) That we should have a continuation committee from this workshop of nine people.
- (4) That the LOS ANGELES COMMITTEE FOR THE DEFENSE OF THE BILL OF RIGHTS should endorse the LEGAL AID WARRANTY FUND. She stated that the jails were racist and that we already had organizers for the coming week and for the Moratorium in Los Angeles from Compton, East Los Angeles, West Los Angeles, Orange County and San Fernando Valley.

She then listed the events, the rally at Exposition Park and the demonstration at the new Federal Building. The demonstration at the new Federal Building would start at 12:00 noon. She stressed the May 3 Exposition Park Rally and picnic and stressed that families of all people in jail would be there. That we would also mass leaflet the April 15 march about this event. She stated that we should visit prisons and mentioned reconstruction of the staircase and said that prisoners should be returned their rights as they have no rights. They have no medical care and they have no financial help.

An unidentified Chicano then took the microphone and stated (the first name given for him was "Shorty") that the Chicanos were not represented by the LOS ANGELES COMMITTEE FOR THE DEFENSE OF THE BILL OF RIGHTS. He stated that nobody cared about the Chicanos, they lived in the barrios where cops busted their heads in. He was quite emotional and also quite angry. When he left the microphone, he also left the room.

Rose CHERNIN then got up and stated that we should support this young man and we should also support the Chicanos.

The next speaker was on National Repression with Lucy FRIED. Lucy FRIED stated that there had been a conference recently in Chicago and that Bobby Seale's trial would be July 4 in New Haven, Connecticut. She stated that Franklin ALEXANDER would be reporting back from New Haven on the Bobby SEALE trial. That there would be buses available to send people from Los Angeles to New Haven. She touched on Marie HILL who has been sentenced to death and asked that telegrams be sent to the Governor of North Carolina to commute her sentence. She also referred to an article on Marie HILL which is in the attached copy of THE SOUTHERN PATRIOT (Vol. 28, No. 1, January 1970 published by the SOUTHERN CONFERENCE EDUCATIONAL FUND (SCEF) Louisville, Ky.). Lucy FRIED was handing the PATRIOT to anyone she could.

She also requested that telegrams be sent to the Justice Department protesting the arrest of the students from Mississippi and she proposed five people be a Continuation Committee.

An unidentified male, negro then spoke and related that there should be unity between the BLACK PANTHER PARTY and the black community. That there were people now studying tactics on how to handle Seale's trial in New Haven. He also stated that the interest and strength should not be centered on just Seale, but should be centered and directed toward unity of the black community and the BPP.

The next speaker spoke on Health and Welfare (Workshop VI) and brought out the following points:

- (1) That there should be coordinated type of defense which is needed.
- (2) That there should be a defense committee set up with various committees within their organization to support and defend their own people.
- (3) A publicity committee be set up to make the public aware of the defense committee.
- (4) All those who have not specified which committee they would work on for defense would leave names and addresses.
- (5) To investigate ways to extend the BPP Free Breakfast program. She also stated that the group should identify with community groups on Health, welfare and housing.

4-11-70

The next speaker gave his name as MIELEX (phonetic). He stated that he came from Compton and was a member of CHAKA. He was extremely belligerent and at one point asked for the doors to be opened so that he could speak to the people who had left the meeting and gone into the halls either to talk or start drinking. He stated that the proposals we had heard were all important, some of the programs were myth. He stressed the need for the food program and he stressed the drug problem. He stated that his group, CHAKA, was going to get rid of the drugs in Compton whether they had to do this legally or illegally.

The following literature was obtained at this meeting:

- (1) A blue sheet of paper entitled, "Workshop Descriptions" which lists the six workshops mentioned on pages 1 and 2 of this report. Additionally, it lists people participating and the purpose of the workshops.
- (2) A booklet entitled, AN ENEMY OF THE PEOPLE--HOW THE DRAFT IS USED TO STOP MOVEMENTS FOR SOCIAL CHANGE. This is an eleven page booklet printed by SOUTHERN CONFERENCE EDUCATIONAL FUND (SCEF), 3210 West Broadway, Louisville, Ky.

The following people were present:

~~CONFIDENTIAL~~

(U)

Irving SARNOFF gave a summary of his trip to Stockholm and Moscow. The Stockholm Peace Conference report will be given in full to PAC sometime after April 15.

- (1) Irving SARNOFF stated his papers and documents from the trip were picked up by customs officials. He was given a receipt for these papers. After arriving in Los Angeles he contacted an ACLU attorney and a suit will be filed against the U.S. Government. The receipt clearly states: "For reason--Review of Literature--Inspection of documents." Suit will be based on fact that the function of Customs Department is not "review of literature."
- (2) In Irving SARNOFF'S workshop two important things were discussed: (A) On July 4, 1970 a worldwide focus will be on the case. (B) In the last week in October 1970 there will be demonstrations against U.S. corporations abroad.

b6
b7C

Irving SARNOFF and another man went to Moscow from Sweden. A total of five people went to Sweden. In Moscow three things were discussed:

4-8-70

Page two

- (1) North Vietnam has set up refuge for G.I. deserters.
- (2) G.I.'s who defected to Sweden have not been treated as political refugees.
- (3) For the first time India has sent a delegate to the Peace Conference. The Indian and North Vietnamese delegates have agreed that for Asian and Indian survival the focus must be toward U.S. Imperialism.

The above information will be given in detail at another time.

The financial report was given by [redacted] The PAC needs funds. A financial statement was read.

It was announced a rock concert (fund raising event) will be held May 3, 1970 from 7:00 p.m. to 9:00 p.m. at 9th & Grand. Tickets will cost \$3.50. [redacted] will emcee. The rock group "Of The People" will be featured.

b6
b7C

Bob KLONSKY announced that a group called "A & H Bomb" will have a guest in Los Angeles. [redacted] of ASIAN AMERICANS FOR PEACE has contacted Bob KLONSKY about this event. On April 25, 1970 the guest will be in Long Beach. On April 26, 1970 PAC will have a cocktail party for him and on April 27, 1970 he will speak at UCLA. This guest is a representative from Japan and his name is [redacted] (phonetic).

Pat ARNOLD told PAC about trying to acquire another building. She is trying to get an Ecology group to join PAC and split the rent. The area of the new site will be Fairfax and Pico.

We were encouraged to buy and sell posters as a fund raiser.

On Monday, April 13, 1970 Los Angeles may meet with a teachers strike. If the strike occurs, an emergency meeting will take place at PAC on April 12, 1970 to prepare and distribute leaflets to high school students.

On Tuesday, April 14, 1970 a very important meeting will take place at the PAC Office. The details of the march, rally and monitors responsibility will be discussed. All active participants should be there.

Next we discussed speakers:

- (1) The Asian speaker will be [redacted] (chosen by the ASIAN AMERICANS FOR PEACE).

4-8-70

Page three

- (2) The WELFARE RIGHTS ORGANIZATION chose [redacted] of NATIONAL ORGANIZATION OF WELFARE RIGHTS.
- (3) The CHICANO MORATORIUM chose [redacted] to speak.
- (4) [redacted] from Cal-State MECHA will be the student speaker. b6
b7c
- (5) Donald KALISH will pick up Jerry RUBIN at International Airport. He will probably be the national speaker. RUBIN is supposed to speak at two other places: (1) UCLA
(2) Santa Barbara (he has been barred).
- (6) [redacted] will be contacted for a G.I. speaker.
- (7) A labor speaker has yet to be contacted.
- (8) The woman speaker hopefully will be [redacted] from United Farm Workers. Other alternatives are Althea ALEXANDER, [redacted] Actress Jane FONDA may be an added attraction for the rally.

On Monday, April 13 a Press Conference will be held by Irving SARNOFF, Donald KALISH and Jerry RUBIN on the question of the war and "The Right to Speak." PAC hopes FONDA and RUBIN will bring publicity and color to the rally. PAC hopes that Mayor Yorty will "bad mouth" the entire event as this will put PAC on the offensive.

Between the time of the march and rally a guerilla theatre will perform skits on issues of war and taxes. The theatre will be sponsored by CLERGY AND LAYMEN CONCERNED ABOUT VIETNAM.

[redacted] gave a report on leaflet distribution. She announced that on April 13 the garment industry will be leafleted at 5th and Los Angeles Streets.

The Los Angeles Herald-Examiner, a daily Los Angeles, California newspaper, in its issue of June 2, 1970 reprinted the following article under the caption "Check on Militants Fought":

"American Civil Liberties Union attorneys have filed a Superior Court lawsuit to halt Los Angeles police intelligence surveillance of activists and militant organizations.

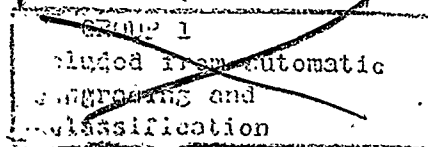

"The suit, filed yesterday in the names of 'tax-payers' J. Alfred Cannon; Phillip L. Carter and Opal C. Jones, alleged that maintenance of police files on persons not specifically charged with crimes constitutes an illegal expenditure of public funds.

"The suit said various church, political and social welfare organizations, including the controversial Neighborhood Adult Participation Project (NAPP), have been placed under police intelligence surveillance in violation of constitutional rights to free speech and assembly.

"Two city councilmen have asked Federal Government cancellation of tax funds for the NAPP on the basis of a police intelligence report which alleges the NAPP is being used for subversive purposes."

Source one advised that on September 30, 1966, [redacted] Neighborhood Adult Participation Project, spoke on the topic of poverty and commented upon activities taking place on the war on poverty in Los Angeles County. She said much more money is needed to care for the poor people and that money being spent on the war in Vietnam should be spent on the war on poverty.

The Californians for Liberal Representation (CLR) is self-described in its literature as "an effective organization for liberal thought and action". This organization claims to have made a contribution to politics in the State of California. "From its inception, CLR was selective and pledged support only to those candidates who we believe by their past record and by their announced viewpoint, would be champions of civil rights, civil liberties, and world peace. We then raised campaign funds, lent organizational assistance and provided precinct workers for the candidates we supported. Our appeal to the liberal community met a warm and enthusiastic response."

May 14, 1970

I. Subject: Report of Public Remarks made by HARRY VINCENT, Kent State Ohio University college student, at the City College of Los Angeles (LACC) of May 14, 1970

II. Organisations: 1) The LACC Strike Committee; 2) Student Mobilisation Committee

III. Place: LACC, Student Center

IV. Date: 5/14/70

V. Time: 7.00—about 9.00 P.M.

VI. Numbers Present: Approximately 500 at maximum

VII. Synopsis:

1) The activities of the LACC strike committee continue. They continued throughout the evening hours at LACC of 5/14/70. The administration of LACC is apparently not committed to preventing the strikers from carrying out their objectives. The striking students and non-students conduct rallies unopposed by the administration and, in some cases, use school facilities, like the Student Center, at will.

2) Throughout the evening hours at LACC on 5/14/70, the radicals used the Student Center to conduct a public rally. At this rally in question the radicals showed films and listened to two main speakers. The speakers were ALEXI CLEMET (phonetic spelling) and HARRY VINCENT. Mr. CLEMET is supposed to be a former teacher, and possibly a former teacher at LACC. CLEMET says he is a retired teacher. CLEMET says he is over 65 but looks 55 at the most. CLEMET physically resembles PAC boss IRVIN SARNOFF a lot. CLEMET stated that he was in the Soviet Union when the Russian Communist revolution of LENIN took place. CLEMET does have somewhat of an accent that could properly be termed as Russian. CLEMET spoke against the U.S. Government's war in Vietnam and throughout South Asia. CLEMET ridiculed religion to a certain extent. CLEMET also offered rationalisations for the Stalinist syndrome of Russian Communism and other types of Communism as well. CLEMET in a way mouthed the present Soviet Party line but did not say he was pro-Soviet and did not do it word for word. CLEMET also spoke at the Student Center earlier in the day. CLEMET stated that he has spent many years in the Soviet Union and was passed off to the group listening as a Russian history specialist. CLEMET's speech that he made around 2.00 P.M. at the Student Center was almost identical to the speech he made around 7.30 P.M. at the SC. CLEMET's view is that terrorism by Communists is something that should be done as a necessity. CLEMET nevertheless spent much time apologising for what Russian Communist terrorism has done. CLEMET said that the Russians under Communism became strict when LENIN was alive because the Red regime was being attacked by foreign troops who were in the then Soviet Union. CLEMET stated that American troops were in Russia and that they were trying to topple the Red regime. CLEMET made no mention of the American aid and petroleum support that the U.S. provided Russia with, or that U.S. General WILLIAM GRAVES had kept Siberia from becoming detached from Russia and being added to the Japanese empire. In the afternoon speech CLEMET also half-way justified the Berlin Wall by saying that the Russians fear the Germans and that this is why they built the Wall. CLEMET in the afternoon and at night said that religions become ridiculous when groups of people start praying "to God" so that more of their enemy can be wiped out. He said that one group of Catholics end up praying that another group will be killed. CLEMET, whose real name may be something like "CLEMENSKY," may have CP or Soviet State Security Administration connections or past affiliations.

3) HARRY VINCENT was identified as a "Kent State survivor and eyewitness" by the radicals. VINCENT is supposed to now have a home in Orange

County, California. VINCENT also stated that he "grew up" in Ohio. Kent State University in Ohio is a campus in which four students were allegedly shot to death by the Ohio National Guard. VINCENT, who we shall refer to from now on as "HV", is about 5'8" in height. HV has brownish blond hair. HV could be 6' tall though. HV has relatively long hair for a white male but no beard. HV stated that he has not been a member of any Movement or organisations in the past, particularly in Ohio. He said that at Kent State there are or were Stalinists, YSA Trotskyists, and the SMC and possibly the YAF. This means that the FBI in Ohio undoubtedly had or has had informants at the campus and that the local PD Intelligence Unit may have PD agents at the school like UCLA's HARRY COSACK. If the FBI in Ohio has a file on VINCENT, the file is probably a small one if HV is telling the truth.

HARRY VINCENT basically told what he recalled happened at the school on the bloody day in question. HV also discussed some of the reasons that caused the Guard to allegedly shoot at the students and kill 4 of them. VINCENT said that the students were illegally in the area. HV said this is true under law considering the actions that Gov. RHODES had taken. HV said that he did not believe that the Guard was sufficiently provoked to start shooting at the students. He said that he did not hear any gunshots being fired at the Guard. He said that ACLU testimony, whatever that is, had 80 witnesses testimony and that one person out of the 80 had said that he had heard something like a gunshot but that he was the only one. HV also said that one student had spotted a local police agent on the campus and was chasing him. HV said that the police agent was authorised to carry a .38 caliber pistol by the local police. HV said that the gun the agent carries was impounded by authorities and sent to the FBI in Washington D.C. for laboratory analysis. He inferred that something was wrong when "J. EDGAR's boys" analyze the gun instead of local or state police. HV described himself being in an area and, after hearing synchronised gunfire, looking around and seeing the dead and wounded. He said that he heard one student say that he was glad the radicals had finally been shot up (even though the dead were primarily not anarchists or Communists).

4) The radicals also showed then and throughout the day a film featuring anti-war activist DAVID SHOENBERN (phonetic spelling).

Check On Militants Fought

American Civil Liberties Union attorneys have filed a Superior Court lawsuit to halt Los Angeles police intelligence surveillance of activists and militant organizations.

The suit, filed yesterday in the names of "taxpayers" J. Alfred Cannon, Phillip L. Carter and Opal C. Jones, alleged that maintenance of police files on persons not specifically charged with crimes constitutes an illegal expenditure of public funds.

The suit said various church, political and social welfare organizations, including the controversial Neighborhood Adult Participation Project, have been placed under police intelligence surveillance in violation of constitutional rights to free speech and assembly.

Two city councilmen have asked Federal Government cancellation of tax funds for the NAPP on the basis of a police intelligence report which alleges the NAPP is being used for subversive purposes.

Torrance Board Refuses to Rehire Priest

Torrance Unified School District board members voted unanimously Friday not to rehire the Rev. Stanley M. Lindros, 32, a Catholic priest accused of using obscene and blasphemous language in his English class at South High School.

Burton Belzer, chairman of the five man board, announced the decision after members discussed the matter in a closed executive session for one hour.

Attorneys Ait Grebow and Stephen Kalish, assigned to represent Father Lindros by the American Civil Liberties Union, said they will take the case to court.

Father Lindros demanded and got a state hearing on the matter in May after he was notified by his superiors that he would not be rehired next school year. He was a probationary teacher.

A hearing officer for the State Department of General Services' Office of Administrative Procedure later submitted the facts of the case, without recommendation, to the Torrance board for a decision.

Father Lindros was accused of reading aloud an obscene phrase from a play he had written about the funeral of a Black Panther and of distributing to his 10th grade students an allegedly blasphemous song from the motion picture, "Easy Rider," for a written critique.

The South High administration also asserted that he used vulgar language in conversation with another teacher, posted obscene signs in the classroom, left his class unattended on two occasions and permit-

ted students to leave the classroom without passes.

In his defense, Father Lindros said the obscene phrase just "slipped out" and that he had later apologized to the principal, Dr. John Lucas.

He said the song from "Easy Rider" contained the words, "God damn, pusherman" (drug peddler). He said he had distributed the song as part of an antidrug program.

The pictures to which the priest said some parents objected were those of assassinated President John F. Kennedy and Dr. Martin Luther King.

Father Lindros, who is on leave of absence from his duties with the Oblate Fathers, said he left his class unattended only to go to the washroom.

WE NEED YOUR PARTICIPATION

A SUCCESSFUL SATURDAY EVENING

A very successful fund-raiser and party was held on Saturday evening, May 23, at the home of the Sonbergs. Over 120 people attended the "Renaissance and Coming Out" party in honor of ACLU attorney Bayard Berman.

The entertainment -- and the word great would describe it -- was provided by Stan Hughes and the Phugowie Group, hypnotist Joe Kern, and special guest star John Saxon.

Many thanks for making the party a success must go to the hard-working Social and Fund-Raising Committee: Ethel Hardy, Jerri Janus, Marilyn Rigler, Bob Denham, and Carolyn Berger; as well as our bartender Bill Herndon, and our "money-collectors" Dorothy Burford and Bob Schaefer. And of course, the Sonbergs -- Edith, Ervin, son Mike, and daughter-in-law Beth.

OUR MEMBERSHIP DRIVE CONTINUES

On May 20, Membership Committee Chairman Brian Smith led a determined band of Hollywood ACLU'ers into attorney Ed Mosk's office on Sunset Boulevard.

Their purpose: to telephone those chapter members who had not yet renewed their membership in ACLU for 1970.

Their achievements: 2 hours of work by the 8 callers, 200 phone calls made, 160 responses.

A great night's work by the group!

And if you haven't renewed for 1970, do it now!

Meeting commenced at 20:15 and ended at 22:30. Present were 48 people. Among those present were:

Bob Cutler

Ethel Hardy

Jim Burford

Viola Thompson

Bill Kirschner

Don White

Carol Watson

The speakers for this meeting were Melville Nimmer (Professor of Law, UCLA), and Henry McGee (Professor of Law, UCLA) - member of faculty committee to defend Angela Davis. Edward Perez was scheduled to participate in the discussion, however, he did not show up.

Nimmer spoke for about 15 minutes on the subject of free speech and gave his views on what free speech means. He emphasized that profane words do not constitute peace-disturbance as long as they have no obvious sexual meaning when being used. He explained by saying that a four-letter word can be used when describing for instance, the draft. He said "Obviously, there is no sex involved there so therefore it is not peace disturbance."

McGee also spoke for about 15 minutes and his talk directed itself to the Isla Vista disturbances. He had several newspaper clippings that described police brutality in various situations. He felt that most of the damage done by police in Isla Vista was done by the L. A. Sheriffs' Dept., not by the Santa Barbara Sheriff's Office.

The floor was then open for questions for about 45 minutes.

There will be a Steering Committee meeting on Wednesday, June 17, at 20:00, at

4226 Dundee Drv., Los Angeles.

SUBJECT ACLU Meeting (STEERING COMMITTEE)

Coverage commenced at 20:00 and ended at 22:40. Present were 18 people. (All white, middle-aged.) Among those present were:

Viola Thompson	Jim Burford (chairman)	Ethel Hardy
Donald White	Ed Altman	Bill Kix Kirschner (film producer)
Mr. & Mrs. Sbnberg (hosts)		
Linda Stell (school teacher)		<i>PENNY CARR</i>

This meeting was mostly a discussion of previous meetings. ~~It~~ It was also decided after much discussion that there will not be any general meetings during July and August. There will be a barbecue planned for about the beginning of August. There will however be a steering committee on July 15, 1970. The meeting was tied up with a 45 minute discussion on the Hollywood Chapter having a large dinner and honoring Otis Chandler. It was decided that Burford would research this possibility further and have a report for this committee at the next meeting.

At about 21:45 [redacted] said "Mr. Chairman, I understood that I'm the chairman of the Anti-Censorship Committee but all evening, this lady on my left has been acting as though she is chairman of this committee". [redacted] replied, [redacted] I understood that you are the temporary chairman of that committee and I'm sure that when your committee meets, they will elect you as chairman". At this point, [redacted] stood up, closed his briefcase, with tears in his eyes and mumbling, started walking out of the meeting. He was intercepted at the front door by someone who was attempting to calm him down. (By this time he was openly crying.) Then he was heard to say "If they won't let me be chairman, I'm leaving." At this point, he left.

VENICE DEFENSE COMMITTEE Resume: Interview regarding Neighborhood Legal Services Society, Inc., L.A. anti-policies and their possible take-over by Western Center on Law and Poverty. Subject mentioned.							
On 6/25/70, 2015 hours, officers contacted Source at his residence regarding his resignation from the NEIGHBORHOOD LEGAL SERVICES SOCIETY, INC., LOS ANGELES (LANLSS).							
Source stated that [redacted] for LANLSS during the early part of June, 1970, after being employed by the organization for three years. His resignation was the result of, what he termed, a loosing battle against LANLSS left-wing take-over and anti-police, anti-establishment policies.							
The following allegations and opinions regarding LANLSS and the WESTERN CENTER ON LAW AND POVERTY were made by Source:							
1. The LANLSS program, which was originally designed to help the oppressed, poor people, began a change in its policies approximately one year ago when "new emphasis" was placed against the police departments.

The "new emphasis" was in the form of increased solicitation of complaints and suits against the police departments and was the result of LANLSS and its Board of Directors being infiltrated by extreme left-wing attorneys and individuals (whom Source described as being disheveled and dirty in their appearance). The screening of employees, prior to their being appointed by OEO, as done primarily by office area representatives. As a result of this infiltration, all offices, with the possible exception of the Pico Rivera office and, in particular, the Venice [redacted] and E.L.A. [redacted] offices, are left-wing, anti-police oriented. Source felt that the Pico Rivera office was an exception, due to its entire operation being run by only one person, [redacted] 2. [redacted] is still involved with the Venice office of LANLSS, although his position is unknown. [redacted] marriage to [redacted] (whom Source described as extremely anti-police) required his resignation from the Board of Directors, Community Advisory Committee, due to OEO husband-wife regulations. 3. The VENICE DEFENSE COMMITTEE, [redacted] is housed in the same location as the Venice office of LANLSS. [redacted] served as an attorney for both groups and, although it is against OEO regulations, the VENICE DEFENSE COMMITTEE uses all LANLSS facilities for its operations. 4. The WESTERN CENTER ON LAW AND POVERTY has aspirations of taking over and controlling all federally funded legal aid programs. Source feels that the objectives of WESTERN CENTER ON LAW AND POVERTY is to infiltrate LANLSS in every capacity and take control of its (LANLSS) Board of Directors. One this is done, (Source feels that it is almost accomplished) individuals with "new emphasis" ideals will be appointed and attempt two things: (a) disrupt the program so that OEO will eliminate it or (b) disrupt the program and force OEO to attempt to save it by turning it over to WESTERN CENTER ON LAW AND POVERTY. The attempt to disrupt and eliminate the LANLSS program started to take its course with the forced resignation of [redacted] of the San Gabriel Valley Neighborhood Legal Aid office, in January, 1970, due to his disapproval to file police brutality cases. In February, 1970, the [redacted] was forced to resign after [redacted] became disenchanted with the program and its staff members. The Board of Directors then replaced [redacted] with [redacted] on February 1, 1970. Source feels that this was the final and telling blow to disrupt the LANLSS program and forced his resignation, since [redacted] was a complete outsider

(Miami, Florida), knew nothing about administrative procedures, and is extremely anti-police (former ACLU attorney, consultant to Mexican-American Legal Defense Fund, San Antonio, Texas). The appointment of [redacted] resulted in an escalation of demands to solicit police complaints. The meeting was then terminated with Source offering future cooperation, at any time, regarding any further information. In regards to Source's statements concerning attempt by WESTERN CENTER ON LAW AND POVERTY to control Board of Directors fo LANLSS, officers' research revealed the following information: [redacted] - Board of Directors for WESTERN CENTER ON LAW AND POVERTY; former [redacted] of LANLSS. "Notice on bulletin board revealed that the meeting was under the "auspices: Fellowship for Social Justice".

"A white, woman about 55 to 60, whose name sounded like Helen Trayvis, introduced Angela Davis as, co-chairman of the Soledad Defense Committee.

"Angela Davis said a guard at Soledad "murdered 3 black men and wounded one white man". And when a guard was killed in another part of the prison some days later, 3 black prisoners were charged with murder even though no one knows who killed the guard.

"She stated that the reason the 3 black convicts were murdered was because they were militants and leaders, who would stand up for their rights like men.

"Angela Davis said the 3 would not just take the insults, intimidations, etc. from guards so would spend time in solitary.

"She claimed \$700 was donated by the inmates to aid the 3 men charged with murdering a guard. She said prisoners get 3¢ to 10¢ per hour so this shows most were for the charged convicts.

"Angela Davis said all must fight for the inmates freedom before the system murders the 3 innocent brothers.

"She said ^{it's} happening on the streets too such as the Amie case, the two Mexicans killed by the pigs, etc.

"The next speaker was, Georgia Jackson, mother of one of the Soledad 3 charged with murder of a guard. She said two other mothers, Doris Maxwell and Inez Williams were unable to attend.

"Georgia Jackson said her son George Jackson was innocent as are the other two charged with murder. She also said the Adult Authority holds life or death over inmates. Mrs. Jackson is Negro.

"She said guards who may dislike an inmate for his looks can write bad reports, and the Adult Authority won't listen to the inmates side.

"She said her son wasn't guilty of any crime but railroaded to prison.

"The next speaker was her daughter, a girl of her early twenties. She spoke on how fine a brother he was even though she was quite young when her brother was sent to prison.

"Don Wheeldin, the following speaker said he was once in prison and one doesn't know the terrible conditions unless they have been behind bars.

"He spoke on the injustice the system or establishment deals to the people.

"He called for people to aid the fund for defense of the Soledad prisoners.

"Wheeldin called for someone to write a check for \$25, and he had people pass small baskets through the aisles for donations.

"A \$25 check was announced from a Rose Watkins, Helen Trayvis, and other checks were seen in the baskets. The total after expenses for the evening was announced as \$461.88.

"Don Wheeldin, a Negro was listed as a writer and teacher.

"Hugh Manes, ACLU attorney said he's defended people oppressed by the system such as Robert Williams.

"Manes said if one is too old or afraid of taking direct action against the system, for he himself would not take action for he doesn't want to be hit with a rock, etc., they can still help by political action.

"Not the Democratic or Republican parties but to support those whose views may not be agreed with completely but give a choice to change the system.

"He said L.A. County one of the richest in the nation, has some of the poorest prison facilities. Men crowded into cells, some living in hallways, degrading treatment and as one of his clients, held 8 months before trial.

"Manes stated jails were made for the poor, the black, brown, and not the rich. The poor can't obtain the exorbitant bail and never are released on one's own recognition.

"It was announced slides would not be shown but a film and then it was learned they had 8 mm film but the wrong size projector so the evening was concluded.

"The final speaker was a Negro woman using an African name that was said to mean, Sweet Victory.

"She said she was co-chairman of the Soledad Defense Committee.

"She stated it started as a small group and now has 60 members.

"He discussed black, white problems. He said blacks like each other but white people dislike blacks. He stated white people view negroes as clowns, beasts and savages. (M.K.L. Non-violence unsuccessful.) He denounced Ron Karenga as ignorant of the negro ghetto as he had always lived in West L.A. (Added, Ron Karenga's bro. wealthy architect.) He labeled "liberals" as political scavengers with the blacks ending up beaten by the police. He stated that the Panthers in L.A. had been "bank-rolled" by the L.A. Unitarians but blacks always ended in a "jam" with the police. He stated that the B.S.U. at U.C.I. had sympathized with the "Strike" there but were afraid to become involved as the "crazies" might fight, slash tires and run and the blacks end up arrested. He announced next fall's class at U.C.I. entitled "Black Power and Black Philosophy with Joe White as teacher."

"(It is unknown whether this is Prof Joseph White from San Francisco St who taught at Cal St Fullerton.)

"Smith then indulged in a discussion of the use of obscenities, delineating the foul terms before the audience of 30 adults, 10 teenagers and a few children. No one rose to object. He stated the white people offended by these terms and continued to spew obscenities. A negro, Ronald sat behind him and a negro man & his wife present, shook his hand oater. He quoted Mao Tse Tungs "Power comes out of a gun." "Get guns' if you dont have the "guts" to use them, give them to those who will," "Guns and fear will get us some place" he added.

"He criticized his recent arrest for using obscenities on the UCI campus in a speech. He named those who signed the complaint and said Richard Petherbridge offered to handle the arraignment and was getting a smart Jew lawyer from Beverly Hills. He said that Chan. Aldrich was angry over his arrest but was a "liberal" but "spineless S.O.B." Smith then said that after his arrest John Hoy (U.C.I. who assisted "Strike") had a meeting at his home, Nelson Pike (Prof Phil) and Henry Fagin were among those present.

The meeting dealt mostly with general discussion on the recent police killings open to members of the People's Tribunal and the floor. It later broke up into two groups, each group located within different closed sections of the room.

group concerned with organizing and notifying members of each committee; Defense Committee, Public Relations, Publication, Communication, and Fund Committee. The main issues brought up were protesting (disturbing) the Watts Festival and picketing the 103rd Street Police Station during the festival. It was felt that a Saturday, during the day would be ideal since the "pigs" would take advantage of the darkness, also you would have the greatest masses of people. The people will be informed soon by leaflets as to when to picket the festival, before or during it's opening. In a general discussion, the second group concentrated on forming a People's Police Review Board, block-to-block self defense committee and appointing a chairman and secretary for the Tribunal. Later it was brought out that the tribunal lacked the proper legal representation due to lack of funds. The self-defense committee is now being formed and has seven members organizing such a committee. This committee will be concerned with both physical and constitutional power in neighborhoods. The march in protest of the two recent Chicano killings by seven policemen will take place in East

The meeting, scheduled for 8 p.m., started after 8:30 p.m. It concluded at about 9:45 p.m. Twenty-five women were present, ranging from early twenties, in age, to sixties. The majority appeared to be in their 30 to 50 years of age. All present were Caucasian. b6 b7C

Mrs. [redacted] of the Whittier Chapter of NOW, presided at the informally-staged meeting. She welcomed the group (seated in a semi-circle around her) without identifying herself. She gave the brief history of the women's liberation movement and their aims by reading from her many papers and written material before her. She told the audience that the movement originated with Betty Friedan, author of the book, THE FEMININE MYSTIQUE; that NOW is interested in ending discrimination against women because of their sex; that NOW wants to change the image the media has drawn for women--that of a sex symbol. [redacted] deplored the plight of women in industry, whom, she said, received lower wages than men doing the same work, and were not promoted to positions of authority because their intelligence would be threatening to men.

[redacted] urged everyone present to write the Congress to pass the Equal Rights Amendment to the Constitution. She urged women to work for the liberalization of abortion laws; and she stressed the need for childcare centers, so that women could be relieved from the drudgery of daily home chores and child care, and fulfill their desire for status away from the boredom of home.

On August 26, 1970, NOW will stage a nationwide "Women's Strike",

8/19/70

Mrs. [] announced. On that day, she said, public attention will be paid to the role of women, commemorating the 50th anniversary of the 19th Amendment, which gave women the right to vote. [] said the power of women will be felt when they refuse to shop in the stores on August 26. She advised the women present to do all their shopping the day before and the day after the 26th, and she stated that it was not necessary to penalize themselves by staying away from work.

Plans for the "strike" in Southern California, Mrs. [] stated, would be finalized at the NOW meeting in Los Angeles on Tuesday, August 18, at 7:30 p.m. Actually, the L.A. meeting will be held at [] and anyone who could attend is invited, said [] asked for volunteers to dress up in costumes of the Suffragettes (she needs two from Whittier) to appear at the "non-political rally" which will conclude the evening of August 26. A motorcade will end at Fritchman Hall, in Los Angeles, where the rally will be held. The main speaker there will be the new [] (The impression of the writer is that Mrs. [] but perhaps she is [] of the Los Angeles area only) [] stated that [] is a "black woman with a [] last name", that she is a "beautiful person".

b6
b7c

The speaker for the evening was publicized (see attached) in the two local papers as Mary Ann Holser. She was identified as a psychiatric social worker, who would speak on "Women in Crisis". However, when a short, long-haired woman, probably in her middle twenties, went up to Stella Religa and spoke in a whisper to her, the chairman told the group that Mary Ann Holser had called her that afternoon to say that she would not be able to speak and she was not aware that her replacement had arrived.

The speaker of the evening sat beside Mrs. Religa at the speaker's table, and followed her notes very carefully as she spoke on the subject "Women in Crisis". She identified herself as Claire Murfry (phonetic spelling). She told the audience that she is a very close

8/19/70

friend of Mary Ann Holser. She stated that if speaking that night would also get her a ticket to Oregon, that would be fine with her. Mrs. Murfry said she didnt know exactly what the group wanted to hear, so she would tell them about herself and her work, and the reason she believes in the women's liberation movement.

The speaker explained that she is a divorcee with two children. She gave details to describe her sad plight, stating that she feels she is being discriminated against because of her sex. She described her work as a registered nurse at the "Crisis Center" at the Orange County Hospital. She stated that while she feels perfectly capable of doing the same work as the male social worker, she does not receive equal pay. She told the audience that she counsels women who have taken overdoses of drugs, suicide cases, and many others who have severe depressions because of their humdrum lives as unfulfilled women. Mrs. Murfry stated that many of the women she treats would be better off if they could have "abortion on demand". Here, a woman (probably in her sixties) asked if "abortions" are a part of the platform of NOW. A rather lively discussion ensued among the women present during which the woman mentioned above stated that she definitely favors the stand of the Catholic Church. Fern Palmer, a Whittier WISP and close associate of Stella Religa, suggested a vote be taken of those favoring abortion and those against. Those favoring were in the majority; however, several persons abstained. Fern Palmer was quick to say that differences of opinion was good.

Mrs. Claire Murfry, the speaker, answered a few questions before she left. She stated that she feels so discriminated against because of her sex in the nursing field that she is going to go into acting. She definitely feels NOW should work for nursing care centers so that women like her can be free to pursue their careers, and not have to waste her talent and training by staying at home with children and household drudgery.

A woman who signed her name on the attendance sheet (circulated by Fern Palmer at the urging of Stella Religa) as a Mrs. Parcel

told the audience that she felt she had been fired because her employer wanted a man to fill the position for which she was better qualified than he. She said she worked for a pharmaceutical house until April of this year. She felt that excuses were made for firing her that were not just. She also blamed an appointee "of Reagan's" whose placement in the company, she said, contributed to her job loss. Mrs. Religa asked Mrs. Parcel to write up the particulars of her case and NOW would have their knowledgeable people study it. Mrs. Religa laughed when she suggested that they could at least make a fuss for the employer. Fern Palmer advised that the matter be sent to the Fair Employment Practices Commission. Mrs. Murfry several times recommended that the matter and similar situations be taken to the American Civil Liberties Committee. Several in the group (including a Jan Dubee from Maywood) concurred.

The speaker left following her talk. Mrs. Stella Religa urged any present, who believe in the liberation of women, to take membership applications, and to help themselves to the literature she had. Jan Dubee (who told the writer that she had gone to the first public meeting of NOW and was expecting a lot of "kooks", but was so pleasantly surprised that they all were such intelligent women) She was so enthusiastic that she obtained Mrs. Religa's only copy of "Now News" to give to the writer. Jan Dubee had come to Whittier with a friend, who appeared to be a very ^{mannish} ~~masculine~~ woman. They both planned to observe the Aug. 26 economic boycott, and hoped they would see the writer at the rally.

Coffee was served by Fern Palmer and Grace Burns. Stella Religa said she needs a secretary and asked for volunteers. She tried to sell the liberation record, but there were no buyers. She offered transportation to any persons wishing to go ^{to} the August 18 meeting.

A reporter from an Orange County newspaper arrived during the coffee session. Mrs. Religa was embarrassed to advise him that Mrs. Holser had not been able to speak. The reporter asked if he could take a picture of the women from La Habra. A cry went up from the

group in protest, so he took several pictures of Stella Religa and two other women, one later identified as a Neva Glen, publicity chairman.

The meeting was not formally closed. Women took literature and a few at a time left. [redacted] that she did not know until very recently that [redacted] was leaving. She said she didnt know just where she was going, but she thought "up North somewhere". She agreed that it could be to Oregon, since Mrs. [redacted] She said she thought Mr. [redacted] work had something to do with their moving North.

Following the formal meeting, Mrs. [redacted] spent some time talking with Mrs. [redacted] whom she had warmly welcomed to the meeting. Mrs. [redacted] took notes through the meeting. She has been active in previous years in American Association of University Women, La Habra PTA's, and other community groups in the La Habra area.

[redacted] the meeting room, [redacted] Lovell's, Whittier's TV and Radio Center, entered the meeting room. The hour was approximately 9:45 p.m.

There were no speeches made other than short ^{ANNOUNCEMENTS} ~~announcements~~. Two bars were set up to sell alcoholic beverages. There was also an entrance fee of \$3.50. It is unknown at this time as to how much money was made at the affair or exactly how many people attended.

At 15:30 a short ~~ht~~ heavy-set man (5'6", 160 lbs.), dark ^{HAIR} ~~body~~ and a heavy beard, arrived at location. Rumor had it that he is with the IRS but is a liberal and would like to join the ACLU. He did not mingle with anyone other than one girl with a small child. Several people expressed surprise and there was some conversation over the fact that someone from the IRS would want to join the ACLU.

SOUTHERN CALIFORNIANS AGAINST REPRESSIVE LEGISLATION

MINUTES EXECUTIVE BOARD AND SPONSORS SEPT. 23, 1970, OFFICE

CHAIRMAN: [REDACTED]

b6
b7c

Minutes of Executive Board meeting July 22, 1970 read and approved.

REPORT (Southern Californians) - [REDACTED]

[REDACTED] presented a resume of progress in the Alliance Against Repression, a coordinating apparatus organized to make the work of existing anti-repressive organizations more effective:

(C) (U) a) Scientists' petition to the Senate against passage of H R 14864 - Prof Cannonito, a SCARL sponsor, took responsibility for the science faculty at U.C. Irvine (approximately 110 people). Dr. [REDACTED] took 20 copies to a board meeting of the L.A. chapter of T.A.S. and will also develop a list of non-academic science contacts. Marque is contacting members of the science faculties at UCLA, UCSD, UCSB, UCR, USC, and California state colleges in Southern California.

b) Initial discussions concerning the formation of an Alliance Against Repression in Southern California were held at the offices of the ACLU on Aug. 12, attended by 14 individuals representing 9 organizations. Discussion was enthusiastic with focus on the need to develop means by which high level organizational meetings would not be necessary for organizations to join in alliance statements or actions requiring swift response. A committee of 4 was appointed to develop a policy statement of purposes and perspectives for consideration at a subsequent meeting. It was agreed the next meeting should be decidedly broader.

c) [REDACTED] cited the increasing volume of repressive legislation as calling for the increase in our activities and broadening our reach. He mentioned his being in telephone conversation regularly with young people inquiring about legislative action. He called for help of the Sponsors and Board in organizing 3 house meetings per month around the issues of legislative repression. These meetings serve to alert voters, make people aware of our work and build our mailing list and sustaining pledges. [REDACTED] also raised the need to get the issues of war, racism and repression presented to the candidates for congress for their responses. [REDACTED] and [REDACTED] agreed to hold house meetings each month. Other members of the Board were urged to also arrange such meetings.

The needs for funds must be met by contributions and sustaining pledges in order to increase production of literature in response to legislative threats more quickly. SCARL is not supporting or recommending candidates for election but every candidate should be contacted and confronted with questions and a demand for responses on repressive legislation.

~~CONFIDENTIAL~~

REPORT (National) - Frank Wilkinson

Frank presented a summary of 9 congressional bills, described as the worst series of repressive legislation since 1951. HISO is now using material dated 1952 in charges against Linus Pauling and Donald Kalish, under the heading of "Subversive Influences in the Mobilization Committee."

On the positive side NCARL has prepared a 25,000 mailing, now at the printers, with a summary of what is taking place, providing voting records, etc. and calling on people to contact congressmen ~~using~~ their vote against the threatening repressive legislation. urging

NCARL now has a southern regional office in Memphis, Tenn., with a field representative in Kentucky. In New York meetings are now taking place planning actions against attacks on the New Mobe, [redacted] and others in the peace movement. A showdown fight on HR 19163 will take place around Oct. 15.

FINANCIAL REPORT - Betty Rottger.b6
b7C

SCARL is apparently in bad trouble, lacking funds to pay for postage and printing bills. However, financial returns from the new mailing will cover these costs and Frank, as usual, will take time out to raise funds for immediate needs. During the past weekend in San Francisco Frank spoke at 3 meetings which brought in returns of \$561.00. (U) (C)

ELECTION - Board officers

[redacted] reported that Stephen Fritchman did not accept the office of Chairman of the Executive Board but would be willing to serve as Vice-Chairman.

[redacted] being over-committed, also was not able to accept the office of Chairman but agreed to a Vice-Chairmanship.

[redacted] agreed to consider office of Vice-Chairmanship. [redacted] were appointed as a 3-man committee to search for nominees for Chairmanship before the next meeting.

Betty Rottger agreed to continue as bookkeeper but will not accept the title of Treasurer.

M/S/C that Executive Board accept Fritchman and [redacted] men.

M/S/C that the election of a Chairman be tabled until next meeting

Next meeting Monday Oct. 26 with Board and Sponsors.

Coverage commenced at 19:30 and ended at 22:00. Among those present were

Jim Burford	Ethel Hardy	Ed Altman
Bob Schaefer	John Schaffer	Bob Cutler
John Simons	Linda Stell	Don White
Hermann E. Volpin	Minnette Porter	Marie Heller
Fred Okrand	Margie Weinziveig	

The meeting commenced at 20:05 with the showing of a film of the 1968 Chicago Riots. (Present were 125 people.) The film was 43 minutes long and it was filmed by a group of college students who took great pains in filming only parts with police brutality in it.

After the film was finished the meeting was turned over to an attorney for the ACLU (Mr. Fred Okrand). Mr. Okrand spent about 40 minutes in telling the audience of the progress that the ACLU is making and went over several recent cases in which the ACLU has been involved in and won. He also talked about the E.L.A. riot that took place last month. He did not seem to be too critical about the police involvement and later on when talking about the more recent riot of Sept 16th, he even spoke favorably of the Sheriff and said that the Mexican-Americans had the Sheriff's blessing to conduct the celebrations on the 16th. After he finished his talk he answered questions for about 15 minutes. The meeting was adjourned shortly thereafter.

Jim Burford announced that the Hollywood Chapter will look into complaints that the principal of Hollywood High is not allowing students with long hair to register for school.

REFER _____

Coverage commenced at 20:00 and ended at 22:00. Present were 53 people. Among those present were:

Jim Burford	Mrs. Burford	John Schaffer
Ethel Hardy	Minnette Porter	

This was supposed to be candidates night and the Hollywood Chapter mailed out around 1600 invitations asking people to come and listen to the people running for office give their views. There were 30 ~~px~~ politicians that are running for office invited to attend. Of those, only 3 showed up.

The first one to give her political view was Jane Gordon of the 28th District of the Peace and Freedom Party. She was allowed to talk for about ten minutes and then the audience asked her questions. At one point she stated that she is calling for state and federal prisons to be run by the prisoners themselves. She says that they must have the right to determine their own future. She also feels that Angela Davis is a political prisoner and obviously being set up.

The second speaker was Mr. Nate Friedman running for Congress on the Republican ticket for the 26th District. He also spoke for ten minutes and then answered questions. One of the questions asked of him was "How are you going to treat homosexuals? As human beings ^{or} ~~as~~ freaks?" His reply was that he can't really tell them apart from anyone else and if they don't make a spectacle of themselves they will be treated as anyone else.

Wilkinson returned to Los Angeles from a field trip covering 10 states and 11 cities where he spoke, among other engagements, with 9 ACLU groups and 6 law schools including Vanderbilt University in Nashville, Tenn.

The Executive Board meeting scheduled for Oct. 26 has been postponed due to the circumstance that [redacted] is on leave from his duties with SCARL for 2 weeks in order to devote his time to raising funds for the [redacted] case. A group of volunteers are working in the office addressing envelopes from SCARL files for a 15,000 mailing which will go out this week. (U)

b6
b7C

On Oct. 19 [redacted] received several telephone calls from Franklin Alexander. Today he mentioned that Alexander had received a summons to appear before an investigating committee in the east, and may go to jail for 18 months under new legislation.

During a temporary absence from the office [redacted] received a call from [redacted] whose telephone number is [redacted]. She also inquired if [redacted] or [redacted] (ph) were in the office.

Elsie Monjar reported that approximately 100 people attended the Town Hall meeting on Oct. 25 at Embassy Auditorium.

[redacted] working as a volunteer, asked to have her name on SCARL mailing list.

Date of contact: 6 November 1970

b6

Place of Contact: [redacted]

After [redacted] a lot of cars at [redacted] The lights were dim and candles were burning. I knocked and no one came so as I usually do, I opened the front door and hollered...."Anybody home." The living room was loaded with couples in various stages of love making. I felt just a little out of place. [redacted] was alone listening to music. Not knowing what else to do I asked him if he wanted to go get a piece of pie with me. While I waited for him to put a shirt on all the couples began to split. They were mostly young couples.....I guess a mother image was one thing they didn't want just then.

b6
b7C
b7D

[redacted] went over to [redacted] He told me they had been smoking marijuana. I guess I wouldn't recognize it if I stood next to it because I have never knowingly smelled it and had it identified. We talked to awhile. He bowled me out for helping [redacted] get out. He told me not to help her get a job. He told me to eat my cake. My answers are always, "Yes [redacted] I asked about [redacted] and he said she will have to prove that she can accept his irregular behavior and hours without asking questions before they could get married. He told me he is going to Berkeley soon. I told him I called [redacted] to try and get to see [redacted] and that he questioned me about my car being at [redacted] and about [redacted] [redacted] told me he talked to [redacted] from NY City. [redacted] said he was there and thought [redacted] was talking to [redacted] but wasn't sure it was him. I told him that [redacted] said he saw [redacted] at a council meeting within the last week.

b6
b7C
b7D

[redacted] told me that he felt better about me to know that you trusted me enough to call me when looking for him. He is hurting for money.

b6
b7C

Oh yes.... [redacted] told me that SDS at Cal State has merged with PL. This upset her.

[redacted] asked me to talk to the older movement people about support financially and help with legal aid for the young radicals.

My one suggestion for [redacted] is that often times he is too ready to agree.his remarks and interest don't always ring of true conviction. I would suggest that he work a little harder at just being himself even if it means being contrary or even disagreeing at times. I've just noticed this in him lately.

b6
b7C
b7D

After [redacted] still had my mind on the meeting that [redacted] was at. I mentioned it to [redacted] and he said he was aware of it but I had the feeling he was just sounding important. I was tempted to go back by [redacted] but thought it unwise. I had a strong feeling that it might be important to know who was there. Since it was in Anaheim, I called [redacted] (with this summer) and told him that [redacted] and left her off there.

[redacted] it might be important to know who was there but [redacted] by again. I told him I called [redacted] He asked me if I was going to [redacted] I told him yes and that I would also tell you that [redacted]

b7D

[redacted] if I get in this sort of situation is it alright to call [redacted] I wouldn't want to talk to [redacted] but somehow I identify with [redacted] and trust him. If you don't want me to, I won't again. If it is alright would you call him and tell him you have authorized me to do it. I wouldn't want him to think that I wasn't be honest or up and up with you.

[redacted]
usually works
nights.)

b6
b7C

Well tomorrow night is my meeting with the over 30 group.....
I'll talk to you Monday and will you please let me know about the credit card and about [redacted]

Oh yes, [redacted] did have (and I think still do) post office boxes at the Fullerton Post Office. In fact most of the young radicals use Post Office Boxes.

I told you I didn't know when to stop writing letters....lets hope reports aren't the same thing. I have completely emptied my brain, but if I think of something more I will call you.

I would like to end this with some witty thing but I'm just not up to it.

PS [redacted] is going to contact [redacted] (ACLU Attorney for this area) to see if she has a case for false arrest or whatever against Fullerton.

INFORMATION CONCERNING (INTERNAL SECURITY-C)

ReButelcall 12/22/70 from Inspector JOE SIZOO concerning telephone call he had received 12/22/70 from MYERS G. LOWMAN, 8310 Waverly, Buena Park, California (home telephone 714-521-0208), with instructions that LOWMAN should be interviewed to determine the nature of the information he wished to furnish the Bureau.

LOWMAN was interviewed in his home at the above address, during the evening of 12/22/70 by SAs GILBERT G. BENJAMIN and [REDACTED] at which time he furnished the following information:

b6

LOWMAN said he is of the opinion that the American Civil Liberties Union (ACLU) is "making an all out effort to hack away the powers of all investigative bodies, both legislative and executive." To give credence to his contention, he pointed out the ACLU's recent attempt to hamper the publishing by a Congressional committee of the names of 70 subversives who had appeared as speakers on college and/or university campuses recently. This was done through a court order. He feels the ACLU is becoming bolder and that they may soon turn their attacks

on the FBI and other investigative bodies. He states that much of the financial backing the ACLU receives comes from wealthy individuals who have been "duped" by the ACLU, and who are not aware of the connections the early founders of the ACLU had with the Communist Party.

He said that in recent years the American Legion has passed a resolution at each of its national conventions calling for an official investigation of the ACLU, without success.

LOWMAN said he wanted the Bureau to know that he is planning a frontal attack on the ACLU and that he does not care if his attack ends up with him being the subject of a civil suit by the ACLU. He just wanted the FBI to know of his plan. He did not ask for any assistance or suggestions from the FBI and if course none was volunteered by the interviewing Agents.

It is his intention to publish a one-page legal size leaflet setting out the communist affiliations of the ACLU's "founding fathers." He has been working on the research involving these persons over a period of several years. He intends to seek financial support from one or more backers for publication of several thousand of these leaflets for distribution on a national scale. He is considering two possible methods of distribution of these leaflets:

- A. Formation of a new national organization, to be headed by himself.
- B. Work through one or more existing organizations, such as the American Legion.

LOWMAN furnished a hastily scribbled longhand rough draft outline of the ideas he intends to include in his leaflet, which reads as follows:

LA 100-3267

"RESEARCH INFORMATION FOR YOUR NON-COMMUNIST FRIENDS
WHO SUPPORT THE AMERICAN CIVIL LIBERTIES UNION

The first national chairman of the ACLU was identified Communist Rev. Dr. HARRY F. WARD -- 1920-1940.

Chairman HARRY F. WARD's publicity director of ACLU was LOUIS BUDENZ, identified Communist Party member and editor of the DAILY WORKER. LOUIS BUDENZ later identified Dr. HARRY F. WARD, Professor, Religious Ethics, Union Theological Seminary, New York City, as a member of the CP.

Other national leaders of the Communist Party USA were members of the first national committee of the ACLU. They were WILLIAM Z. FOSTER, head of the CPUSA; and ELIZABETH GURLEY FLYNN.

The principal difference between the Communist Party USA and the Communist Party Russia is the Communist Party Russia is the 'boss.' The purpose of the CP Russia and the CPUSA is world conquest by the Soviets.

The ACLU purports to obtain and/or preserve civil liberties for persons and organizations in the United States. The principal and obvious major result of ACLU litigation is and has been removal of the ability of the United States to protect itself. The U.S. and no other nation can exist without strict, quick and universal justice. Maintenance of law and order is imperative to national survival.

The heavy perponderance of ACLU legal action has been helpful to radicals, communists, rapists, pornographers, and etc., in the toils of the law.

Fellowship of Reconciliation headed by Rev. A. J. MUSTE, who was denounced by J. EDGAR HOOVER, Director of the Federal Bureau of Investigation, as long having fronted for the communists. ACLU claimed in its 50th year anniversary folder that the Fellowship of Reconciliation founded the American Civil Liberties Union.

LA 100-3267

EARL BROWDER, Secretary-head of the Communist Party USA named ACLU a transmission belt of the CPUSA.

In 1970, ACLU continued its general line of legal action and propaganda, including procuring a temporary injunction from a Federal Judge to restrain the United States House of Representatives Internal Security Subcommittee from publishing the names of 70 radicals and/or communist speakers on American campuses.

There is probably no organization in the United States less deserving of a favorable reputation and support than ACLU."

On the back of this legal size sheet, LOWMAN indicated he intended to print an offset reproduction of portions of the testimony of LOUIS BUDENZ wherein BUDENZ identified Rev. Dr. HARRY F. WARD as a member of the Communist Party; and also the comments of EARL BROWDER regarding the ACLU as a transmission belt of the Communist Party.

Mr. LOWMAN was told that he could not expect the Bureau to approve or assist him in his proposed project, in any way, shape or form.

The above-quoted rough draft notes which LOWMAN furnished are being retained as an exhibit in the Los Angeles case file in this matter (LA 100-3267).

No further action will be taken at Los Angeles.

How, Where, When and by Whom Was It Started?

CRISIS MOBILIZATION PROGRAM: "Instead of dial - a - prayer, it's dial - an - Issue, according to the spokesman for the Community Issues Contact Center, 4043 Buckingham Road, Los Angeles 90008. Funded by the United Presbyterian Church's Southern California Synod and run by the Crisis Mobilization Program. This program includes layman and ministers of several Protestant denominations and is [redacted]

[redacted] The address is the same as that of the Human Relations Conference of Southern California.

This most unusual religious undertaking was started in September, 1968, with the first recorded message supporting the drive of Cesar Chavez to organize farm workers. The woman's voice noted that the general board of the National Council of Churches had approved of the boycott of California.

This was "Dial - An - Issue", financed and promoted by religious leaders in the Los Angeles area.

A telephone call to Pacific Telephone revealed that the listed subscriber for DUnkirk 6-6766 (Dial-An-Issue) was, according to their records, The Commission on Church and Race, 1411 West Olympic, suite 501, L.A.

Following are examples of messages put out on this program, Dial-An-Issue. They are not presented as an exact word for word report of the messages as the writer could only take notes while listening to the recorded messages. They are however, absolutely correct as to the subject and intent of the messages.

AMERICAN CONCENTRATION CAMPS..November, 1968 message. Warning listener the law on use of concentration camps is still on the books and has never been tested in courts. (referring to detention camps used after bombing of Pearl Harbor). Offering a "Fact Sheet" prepared and being distributed through the Japanese American Citizen's League with 91 chapters all over the U.S. Book by Alan Bosworth on American Concentration Camps should be (according to recording) in every church office library. Number to call to obtain "Fact Sheet", 626-4471, 125 Willer St., L.A. suite 305. Number was of Pacific Southwest District of JACL. [redacted] local office.

Fact Sheet gave no indication of who, what or where it was printed. The east coast publication of the Communist Party, the Daily World, offered it to their readers.

JACL is a member organization of COO (Council of Oriental Organizations) which has participated in such programs as the one called October 9, 1968 at the John Marshall High School...RACISM IN WHITE AMERICA, Panel discussion and mass meeting to deal with White Racism. Speakers were advertised as SAL CASTRO, CHICANO TEACHER, LINCOLN HIGH SCHOOL, FRANK GREENWOOD, EDUCATOR, KPFF COMMUNICASTER, MORI NASHIDA, JACL of COUNCIL OF ORIENTAL ORGANIZATIONS, LOUIS WILSON, TEACHER, COMPTON SCHOOL DIST. This writer does by no means wish to imply that all members of JACL or other organizations under COO are revolutionaries and militants. Obviously most do not understand the course their "leaders" are steering. The idea for the exploitation of the detention camps for propaganda purposes to further divide "ethnic" groups was discovered to be the plan of Frank Wilkinson, well known Communist who served some time in prison for contempt after his appearance before the Senate Internal Security Sub-Committee. Wilkinson admitted he first got the idea of using the detention camps while serving this time in prison during a broadcast on KABC radio as a guest of Marv Gray.

The center has been set up to coordinate efforts of different activist groups, a communication center particularly for when trouble starts. They could then serve to "coordinate the actions of the activists." When asked the sponsors of this project ..if their names were available, she read the following list to me so I could write them down. Dec. 27, 1968

URBAN PLUNGE

Dial-An-Issue DU6-6766

December 26, 1968 Message: (Reference from Page 4)

After message given on page 4, writer called [] same day and spoke with [] who gave following description of activities of "Urban Plunge": It is held in an abandoned Florance Heights Methodist Church. Starts on Friday night when they all go down on Main Street to skid row. After dinner (not clear if dinner was eaten at church or on Main Street) go back to church and have a celebration...paint on walls of church, or body painting, anything anyone wants to do. They have a Rock Band and Light Show. When asked about age group, [] said it (Plunge) is an INTER-GENERATIONAL group from 18 to 75 or 80 or whatever.

She said Friday night celebration usually lasts until about 5 in the morning. On Saturday morning, they all go over to the headquarters of the Black Congress and [] speaks to them. When asked if she thought this really achieved anything since it was my understanding that the Black militants don't want to have anything to do with white people .. and anyway it seems as though none of their various groups agree on how to solve their problems, some saying they don't want welfare..others demanding it in increasing amounts. Writer said the job training programs seemed to be the most productive approach but the militants don't even speak about anything but total revolution and even Black Power means different things to different groups of Blacks.

[] said of course most people know that there is no more SOLIDARITY in the Black community than in the White. She said that "Walt" pushes hard for work in the community, that he speaks very frankly and open to the group. Then, they (Plunge) visit La Raza headquarters and visit with the Mexican-Americans and talk with them. b6 b7c

They all go back to the church and spend the night together...usually quiet down by mid-night on Saturday night and they get up and have a secular liturgy on Sunday ..with rock band etc. When asked if any particular church or clergymen were back of this experiment, Conn said no, that it is not a church function but a group of "ad hoc" people that had put it together and that [] had put the model together and asked if caller had ever heard of him. [] works out of the office of the Council of Churches of Southern California)

When asked what the \$13.00 paid for, she said that was for the food and cost of the rock band and light show. that the staff are volunteers. She said when asked if there was any connection with the National Council of Churches...since it was on Dial-An-Issue, that the N.C.C. was sending out a TV crew to televise it and make it into a program, that it was supported morally by some of the N.C.C. but not financially. She said she would send caller printed information they are doing about the Plunge, but no such information was received. She said they have an Urban Plunge about every 3 weeks, can only take 60 people, usually white so they can be confronted by Blacks and Mex-Americans. Jan.10 Plunge is filled, Jan 31-Feb2 Plunge is filled, Feb. 21-23 is filled she thought, but not sure. March 2 Plunge still has some openings. She said Plunges are filled at this time because so many students are home on vacation.

Caller had asked during earlier conversation if participants go home at night and [] had laughed and said that no, that was an important part of the Plunge. Some go off by themselves, some break into small groups...but all are free to do what they want so long as they remain in the Plunge so it is an extensive 50 hour exposure, an interactive new style relating to each other. A new life style with emphasis, as stated, on Black and Chicano Power and the SEX REVOLUTION.

March 11, 1969 message about disturbances continuing at our schools, message tells listeners to call "Rumor Control and Information Center" ...dial 29-NAACP. A responsible segment of the religious and civic community are working toward finding a solution to the current problems. A meeting is to be held at the UNITARIAN COMMUNITY CHURCH, 1260 18th St. in Santa Monica to-nigh. [redacted] representing the Educational Issues Coordinating Committee will be there as well as representatives from the Rumor Control Center and a large number of witnesses to what happened at Carver Jr. Hi. All community people are invited to attend and work toward constructive solutions. More information may be obtained by calling [redacted] the Action Committee of the church, [redacted] Meeting is called to gather facts and plan constructive action.

WRITERS NOTE: This is the appropriate time to report on what "Rumor Control and Information Center" was doing during the Carver Crisis. This reporter had called 29NAACP on March 7, the day the violence broke out at Carver Jr. High School when members of the BSU from Southwest College had demanded the principal at Carver meet with them. There was a meeting with parents going on at the time and the BSU was asked to leave. They refused and LAPD was called in to remove them. Officers made the arrests and the only way out was to go through a hallway which was filled with Jr. High students. The principal asked the students to leave, the officers asked them to leave...when they did not, officers had to take their prisoners out anyway through the crowded hall. March 7, 8, 9, and 10 29NAACP messages told how police were brutalizing the children, using their clubs etc.

[redacted] was one voice that reported such activities. [redacted] is SCOT and sponsor of Black Panthers Defense Committee...and it was at his church shortly after the occasions reported here that two panthers were called out of a meeting into a parking lot (church lot) and shot by members of [redacted] who makes most of the recorded messages was not reached until Saturday afternoon...the writer then expressed alarm that a "rumor control center" would put out this kind of inciting messages. [redacted] was very angry and said that the kids panicked when they saw police officers because they know they are their enemy. He said he had been on the scene. I asked if he had helped the principal and police officers clear the hall when he saw the situation...he said he didn't have time to discuss it, that he had to record another message. It was on March 11 when the message FINALLY came over 29NAACP that there were not children injured seriously, those injured were stepped on in the rush by other students etc. etc. THIS IS THE MESSAGE PICKED UP BY THE PRESS WHICH WAS USED TO RAISE FUNDS FOR THE CENTER. It was this time that student Steve Frank, of VIVA, when tearing down barricades put up by Black militants (at LACC) called out for people to call 29NAACP. Of course [redacted] had no way of knowing what kind of messages had been given out previous to this day. The earlier messages on 29NAACP could be largely responsible for the call of Black militants throughout this area to support [redacted] students which resulted in violence and destruction of property throughout the area.

March 12, 1969 message: Called attention to editorial in L.A. Times which presented the demands of the Black community..namely local control of schools, negro principals and administrators, schools open to all (meaning persons in community can come and go as they please from campus to campus) and a BAN ON LAW ENFORCEMENT OFFICERS ON CAMPUSES AND AT SCHOOLS. L.A. "PLUNGE" SCHEDULED FOR ANGELICA, NOV. 28-30

Sponsored by the Pacific Southwest Synod and combining the format of the Detroit Youthexpo and the experience of Holden Village '69, the L. A. Plunge will be held at Angelica Lutheran Church in Los Angeles on November 28, 29, 30. The Plunge will be adequately staffed by pastors and adult workers with youth.

Plunge . . . what's Plunge? The urban plunge is a week-end period of intensive interaction with other people in the Christian community who are directly confronting the important issues facing us as a nation and as a church.

The Plunge is a new style of education . . . a kind of education where a person becomes involved in issues as a passionate, concerned human being rather than a casual observer. Such involvement will be accomplished through awareness trips, films, celebration in worship, rap sessions, simulation games, art forms and music, all aimed to help us become new creatures in Christ.

The Plunge is a total discovery experience, and everyone is expected to participate fully. So come prepared to explore your own thoughts, feelings, and life in relation to other thoughts, feelings, lives. Come prepared to search and to enjoy, to struggle and to celebrate.

The L. A. Plunge will be held during the Thanksgiving weekend, beginning at 10 a.m. on Friday and continuing until Sunday afternoon, the 30th. Angelica Lutheran Church, near downtown Los Angeles, will be the base of operations, where meals and sleeping space will be provided.

Because of the nature of the plunge experience and the facilities, enrollment must be limited. Feb. 17, 1970 message: (Taped and transcribed here)

A fact sheet prepared by the California Migrant Ministry states the following: The grape boycott is stronger than it has ever been. Grape shipments to 41 major cities in the U.S.A. and Canada are down nearly 30% from pre-boycott level. At the end of 1969 there were 35% more grapes in cold storage than a year ago, approximately 20% of the harvest. Grape prices are falling and growers are spending lavishly to undermine the boycott. AT least 4 million dollars per year to Whittacker and Baxter, a public relations firm. The California State Board of Agriculture, a public body appointed by the Governor, has announced it will launch a privately financed publicity campaign against the farm workers cause. A major strategy of public relations firm of Whittacker and Baxter will be to shift public attention away from the suffering farm workers and away from urgency of the boycott...the non-violent hope of farm workers. This will be done by pushing a legislative position entitled: "Consumer Agricultural Food Protection Act, Senate bill 2203. This is authored by Senator George Murphy. According to the Fresno Bee of November 9th, when Whittacker and Baxter were retained by the growers, there were several state and federal legislative proposals dealing with farm labor problems. Some of these were conflicting. The firm succeeded in consolidating and focusing agricultural efforts on Murphy's bill, and at the Senator's request, the Whittacker and Baxter attorneys helped draft the bill. Dangers of the Murphy bill are detailed and available from California Migrant Ministry Office at 1411 W. Olympic Blvd., suite 501, Los Angeles, 90015. Essentially, it would ban strike and boycott.

POLITICAL, SEXUAL, CONSUMER

City Commune's Goal: Helping Revolutions

BY JOHN DART
Times Religion Writer

In an age of political, sexual and consumer revolutions, a growing communal group in Los Angeles and the West is embracing them all with unusual dedication and apparent success.

Called the New Adult Community, after nearly two years of existence it has these distinctions:

—Seven communal houses formed in Los Angeles—in contrast with many other communes—are highly active in support of the Black Panther Party, millitant Chicano groups, antiwar rallies and, recently, striking Teamsters Union workers.

—The "urban plunge," a mind-shaking weekend experience, exposes up to 75 persons a month to the "oppressions of society" in the inner city and elicits from them basic responses to their own repressed feelings.

—At least a dozen suburban couples in Los Angeles have been through the "plunge" and continue to identify with the New Adult Community, as do persons of various ages from other cities in the West—as opposed to the image of isolated, withdrawn communes attracting primarily the young.

Unpublicized Church Support

—Sexual relationships that value male-male and female-female intimacy as important as heterosexual ones are considered a proper aspect of communal life. (In practice, however, there is no unanimity, spokesmen say. Opposed to "free love," the community members insist on trustful relationships and respect for varying viewpoints.)

—Amidst pocketbook revolts by churchgoers over denominational support of dissident minority groups, the community has had a modicum of official, though unpublicized, church support.

An ecumenical church agency in Los Angeles, the Joint Metropolitan Strategy and Action Commission

(JMSAC), and the Church of the Brethren have contributed about \$100 monthly to the community for nearly two years. Support has been given because the community is seen by some churchmen as an experimental model for future ministries relevant to the new youth culture, said a JMSAC spokesman.

The JMSAC board, however, discontinued its support at the end of June "because of a change in priorities that focuses support solely on black and brown community projects," said the spokesman.

An ex-nun in the community said, however, "Our existence does not depend on that money."

While avoiding organizational terms and structures, groups of the New Adult Community are discernible in San Diego, Santa Barbara, San Francisco, Seattle, Bozeman, Mont., and Lawrence, Kan., as well as Los Angeles. Groups also have been loosely formed in Irvine and Jjai.

Live in Communal Houses

A number of brothers and sisters (the word "member" is not used) live in communal houses, including three neatly landscaped houses near Crenshaw Blvd. Others live separately.

Suburban couples, after grappling conscientiously with their relative affluence, have decided to keep their homes and work with other suburban families to bring about attitude changes through "human potential" and sensitivity training techniques.

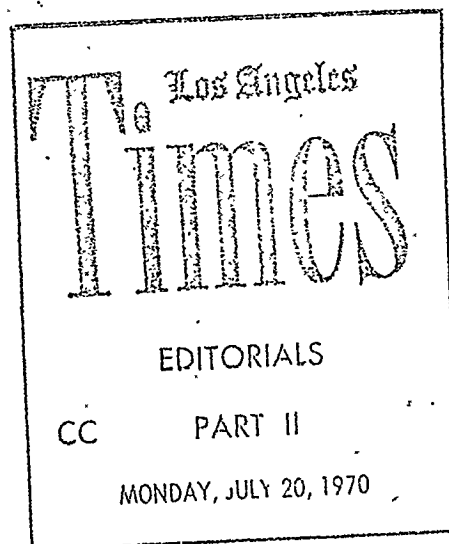

The unifying experience which gave birth to the New Adult Community and which for some continues to justify its existence, is the "urban plunge."

"The plunge has a very dramatic effect on lives: it was the most important thing that ever happened to me," said Ken Brown, 44, a businessman who feels it drew him closer to his wife, church and community.

URBAN COMMUNES

Continued from First Page

community's new food co-operative (representatives of about 20 communes in the area traded at the first distribution session this month) are discussed.

The plunge usually concludes with a service of celebration, often at a church willing to offer its facilities.

Not everyone responds favorably to the plunges: some have walked out the first night.

New Adult Community members are quick to deny they are attempting to create a utopian community.

"Survival is the ultimate concern of the New Adult Community — the survival of human values and possibilities," wrote Alan Stinson in a paper read in May at the Center for the Study of Democratic Institutions in Santa Barbara.

"If in the future communitarian living as we see it becomes a poor tactic for the continuation of life . . . people will junk it for whatever new mode of being has been born.

"Right now we find it the most human alternative this culture has to offer. Who knows what will make the earth a livable place for all people? The New Adult community enables struggle, not Utopia to occur," Stinson said.

Struggles and tensions within the community are acknowledged. Some communal arrangements have not worked out. Goals frequently change. Some sensual relationships "have been really beautiful and

some have been really sick," said one.

No comprehensive philosophy has been worked out on jobs. The desire of most is to move away from defining a person by his occupation and away from the concept that people achieve most of their dignity from their jobs and job rewards.

Some work periodically when money is needed. Some, like Jim Conn, are supported by the community for their roles in the community. Other income is pooled for needs such as bail bonds and emergency needs for persons outside the community.

The age range is from infancy to 73. Most are white, with middle-class backgrounds. A general attitude of patience and commitment to political and social change is apparent—in contrast to the "now" rhetoric of many militants.

A community dream is to work out a seasonal life-style that would bring them in and out of the city in alternate periods of work, study and play.

"The seasonal life is good if you can make it possible also for blacks, Chicanos and native Americans," cautioned Jim Donaldson, 36, an ordained Methodist minister who says his role is "con- venter" and political analyst for the community.

"It's almost like having your own resident theologian," remarked Conn.

To JMSAC, Donaldson is the "director" of the community and the man to whom the financial support has actually gone.

About \$500 has come from the eight denominations of JMSAC. The rest comes from the General Brotherhood Board of the Church of the Brethren, which has provided support to Donaldson's work since he was assistant director of the Southern California Council of Churches' commission on church and race a few years ago.

Donaldson, who uses the language of militant blacks and students but in a soft-spoken way, is careful to discourage overglorification of the New Adult Community.

"The vanguard of the movement are the black and Chicano liberation movements because they're closest to the oppression and incur the greater risks," he said.

The urban plunges are designed to make people feel they are among the oppressed if they truly sympathize with the plight of dissidents.

"I am oppressed by the government of this country," said Donaldson, "by the way in which they send my younger brothers to slaughter in Vietnam, by the educational system that engages a man only toward productivity, by an economic system that deludes people into believing they're in a class.

A simple way of saying it, he said, is that "there is no other job for a theologian other than to be a revolutionary and to crush the says he believes violence power of growing imperialism."

Donaldson, however, is a poor tactic unless it is the violence of self-defense.

Donaldson said he doesn't see the struggle strictly in terms of "we" versus "they." He indicated he

"Rather than being in a job with a reward at the end, I now feel a demand to be more political. I found a brand of friendship which is better than the old cocktail kind, which is kind of shallow," said Brown.

For Joan Campion, who last summer left the Immaculate Heart of Mary Sisters after 20 years, the plunge is "an educational program to raise social consciousness" and the major reason why she is part of the community.

Repressed attitudes about sexuality is one of the first topics explored on the plunges, which begin Friday evening with visits to Los Angeles' skid row, followed by homosexual bars and erotic book stores. Intense discussions continue to about 5 a.m. Saturday morning.

"We talk about things about which people are most uptight," said Jim Conn, who is in charge of the plunges. Conn, who sports a full, black beard, received a master of theology

degree last month from the School of Theology at Claremont.

"Then we wake them up at 6:30 a.m. Saturday and give them a whole pile of experiences about oppressions," said Conn.

"We talk to Panthers, Chicanos, sometimes visit ecological wastelands (junk yards), buy welfare meals at ghetto grocery stores, talk to radical students, talk with white professional people who had ideals but found they couldn't fight the system," he said.

On Saturday night, some community members who play instruments provide music for "a massive kind of celebration to dance out our hostilities and celebrate our own rhythms and our sense of community."

Sunday, the group talks about "the way in which society keeps us from living our lives the way we want to," said Conn. The economics of the

would not automatically support every radical cause. However, in the case of the Black Panther Party and Catholics For La Raza, he said, "I've met only great human beings, and I have a watchful eye. They've got integrity." La Raza protested the Catholic Church's alleged indifference to Chicanos at St. Basil's Dec. 25.

Fifty persons scrambled out of their beds last Dec. 8 when Los Angeles police began a raid on Black Panther headquarters at 5:30 a.m. The 50 community people, who were on the scene by 6:30 a.m. to show their concern and act as witnesses to the ensuing gun battle, later described

what they saw at black schools at the requests of some students and faculty.

There is little use of drugs in the New Adult Community, Donaldson said. "At this point in history we find drugs for white people to be trips a way from conscience rather than journeys that heighten the social consciousness of human beings," he said.

Sexual relationships in the community are described by Alan Stinson as being on three levels: monogamous, "multirelational" or polygamous, and "bisexual."

Many community persons define the sexual relationships as intimate

trust relationships that do not center on genital sex. Nor is intimacy seen as something to feed male or female egos.

One woman said she would have sexual relations with more than one man, but added emphatically that the relationships in the community are quite different from the majority view of sex in society, where a sharp line is often drawn between sexual intercourse and all other forms of love and affection.

Clint, previously married and once an active Disciples of Christ clergyman, said under questioning there are instances when men will have sex-

ual relationships with other men in the community.

All the communal houses are struggling with personal repressions, said Conn. "Sometimes we will not allow people to touch us when we really need people to touch us, as a sign of affection, for instance," he explained.

How do a suburban couple like Aldene and Bruce Sellery, who have been identified with the community since its beginnings, deal with more sexually liberal members?

"We just come on strong in the way we believe and they take it or leave it," said Mrs. Sellery, whose husband is an architect. "I think they accept the way

we feel. Bruce and I believe the highest form of intimacy is between man and woman in a single relationship. We're always becoming slightly different people, so our relationship never becomes dull. We're always relating to a different person."

A running theme is to be open to the future and to relish the present. Stinson indicated the community has an appeal to all generations.

"I'm already so groovy at 25, I can hardly wait to see how beautiful I'll be at 40!" Stinson quoted a girl as saying. Stinson added:

"In trans-generational community, time is a friend."

January, 1971

Dear ACLU Member

Many Americans are giving up. They say, "The system won't work." Some toy dangerously with violent alternatives. Others merely drop out.

But, ACLU still believes that the system -- the Constitutional system -- can and must be made to work. We fight on to defend the heart of our system -- the Bill of Rights.

Your support of ACLU in 1970 kept us fighting last year. We are grateful. We ask you now to renew your support -- if possible to increase it -- for the fight ahead in 1971.

Our 1971 agenda is already full:

- * resist government surveillance and the suppression of lawful political dissent and activities
- * defend academic freedom and the rights of both teachers and students
- * safeguard the right of privacy
- * press for prison and parole reforms
- * continue the fight for equal educational opportunity -- and the other equalities
- * work for better police-community relations

In the courts, the legislatures, and the public forums, ACLU will be working to make the constitutional system work.

Your renewed support will make our work possible.

Very sincerely yours

Eason Monroe

Between 700 and 800 people attended banquet.
(Announced by Rose Chernin during program)

Don Wheeldin---Master of Ceremonies--

for Defense for Bill of Rights for the past 10 yrs.

L.A. Comm. for D.B.R., was known by another name--L.A. Comm.

Rose Chernin had been an active worker for above comm-
ittee for 20 yrs.

Within the past year two valuable supporters and workers
for L.A.C.D.B.R. had died--named Ruben Borroughs--Mrs. Wanger.
Don Wheeldin--

Named those seated at speakers table, as honored guests.

" Nathan Shapiro, Dora Shapiro, Mr. and Mrs. Ken Rottger,
Mr. and Mrs. Frank Wilkinson, Mr. and Mrs. Nathan Garfield, Mr. and
Mrs. Celia Rodriguez and her husband, Delfino Varella, Natalie
Ramirez, Rev. Peter Christiansen, Clara Jones James and husband,
Dr. James, John Uhrin.

Al Marcus---

Introduced by Don Wheeldin, as, singer and composer.

Al Marcus--

Sang song re: Crucifixion of Jesus, by the ruling class
and the elite who ridiculed Him because he was a friend of
the poor, oppressed and weak.

for D.B.R.

Said in effect--In the past, her work for the Committee
consisted of defense for the foreign born, threatened by de-
portation by the establishment.

Saved many from that threat.

At present Rose Chernin devoted her time to defense of
political prisoners--Chicanos, black people, Indians harassed,
jailed, by the power structure.

Rose Chernin---

Said in effect--she was happy to see such a large crowd
present--between 700 and 800 people were there.

Although she was happy to greet such a large crowd at

It was necessary to build a movement of great masses in order to change the present oppressive government to a gov't of the people, with justice and freedom for all.

Said in effect--people must become active in marches, demonstrations, in bringing more people into the movement.

In order to gain their goals millions must become involved, actively.

Talked about treatment of the Chicano people by this racist society--jailings, shootings, beatings.

Spoke about case of Mrs. Ferer, a Chicano, whose American born child would be deported to Mexico by the racists in present social system.

Said in effect--Case of Mrs. Ferer would be an important test case--L.A.Comm.D.B.R., had engaged an excellent lawyer, the very best, Frank Pestana, to handle her case.

Was sure that above case would be won in the courts--which would of great benefit to the Chicano community.

Present racist system enacted laws to split families, separate people from their loved ones by deportation of people to other countries.

Rose Chernin--

Asked everyone to send letters to the newly elected president of Mexico--Pres. Echeveria (phonetic spelling) demanding him to free all political prisoners who have been in Mexican jails--some for over a year.

Said in effect--it was necessary to flood him with thousands and thousands of letters to let political prisoners out of jail. (She gave address in Mexico City, to send above letters.)

Said she was sure the Mexican president would be impressed and would release the prisoners.

Rose Chernin--

Asked Mrs. Ferer to stand also other Chicanos who

INFORMATION CONCERNING
(INTERNAL SECURITY)

ReLA let 12/23/70; and Bureau tel call from Inspector J.A. SIZOO, 12/22/70 concerning a telephone call he had received that same date from MYERS G. LOWMAN, 8310 Waverly, Buena Park, California (home telephone 714-521-0208).

Today (1/27/71) Mr. LOWMAN furnished the Los Angeles Division a copy of the leaflet he has prepared for use in a frontal attack on the American Civil Liberties Union (ACLU), which was discussed in referenced LA let of 12/23/70. As will be noted, the leaflet is dated February 1, 1971, and will be released on and after that date.

Mr. LOWMAN has indicated that the first printing of these leaflets amounted to 20,000. It is his hope that he will get additional financial support in the not too distant future, which will enable him to print and circulate many more such leaflets. He voiced the opinion that he feels such information as is contained in the leaflet should be in the hands of every District Attorney, sheriff, chief of police, newspaper editor, radio and/or television commentator; as well as members of the boards of directors of the major American business and financial institutions.

The original leaflet furnished by Mr. LOWMAN, which is identical to those that will be released on 2/1/71, is attached for the Bureau's information. LOWMAN was not seeking Bureau approval of his document; but merely made it available for completion of the Bureau's files. This matter is considered CLOSED. (It is to be noted that LOWMAN was subject of SAC Letter 62-27 Section I).

For your non-Communist acquaintances who support

AMERICAN CIVIL LIBERTIES UNION

AMERICAN CIVIL LIBERTIES UNION was organized January 12, 1920 with the Communist Rev.*Harry F. Ward as National Chairman from 1920 to 1940. Communist Louis F. Budenz was the first National Publicity Director. The first National Committee of AMERICAN CIVIL LIBERTIES UNION included such other widely known Communists as Elizabeth Gurley Flynn and William Z. Foster; and Rev. A J. Muste who long fronted for the Communists. *Earl Browder, Secretary of the Communist Party of the United States named AMERICAN CIVIL LIBERTIES UNION a Communist Transmission Belt in testimony before the Special Committee to Investigate Un-American Activities, U.S. House of Representatives. The Communist Party U.S.A. and Communist Party headquartered in Russia have one principal difference--- The Communist Party headquartered in Russia is the boss of the Communist Party U.S.A.

AMERICAN CIVIL LIBERTIES UNION has attracted to its fold many prominent Americans who, by no stretch of one's imagination could be considered disloyal, subversive, or even questionable. As is the case in many American organizations, the rank-and-file of AMERICAN CIVIL LIBERTIES UNION often subscribes to certain vague ideals and then fails to check as to whether top officials live up to the ideals.

AMERICAN CIVIL LIBERTIES UNION, has from its inception and, today continues to weaken, damage, and interfere with the ability of the United States Federal, state and local governments to maintain law and order. The investigating process of the Federal and local governments is under constant attack by the AMERICAN CIVIL LIBERTIES UNION. No nation can endure the loss of internal ability to defend itself.

To remove validity from a possible claim of "long-time-ago" actions by AMERICAN CIVIL LIBERTIES UNION, reference is made to samples of recent AMERICAN CIVIL LIBERTIES UNION activity:

- (1) Filed suit on January 11, 1971 in U. S. District Court to bar prosecution of Arnold Johnson, a top national official of the Communist Party U.S.A. (Daily World 1/12/71)
- (2) Procured an unprecedented temporary Federal District Judge injunction in 1970 to stop a committee of the United States House of Representatives from publishing 70 names of Communists and other radicals who recently spoke on American campuses.
- (3) A friend of the court brief in the 1969 Angela Davis case in support of Angela Davis.
- (4) George Slaff, President Board of Directors AMERICAN CIVIL LIBERTIES UNION of Southern California openly called upon the AMERICAN CIVIL LIBERTIES UNION to admit publicly it erred in expelling world famous Communist Elizabeth Gurley Flynn from its National Board in 1940; and to rescind that expulsion as "the single shameful episode in the otherwise distinguished history of the AMERICAN CIVIL LIBERTIES UNION". (Peoples World 12/21/68).

Each year for many years including 1970, the AMERICAN LEGION national convention requests the United States Government to act against AMERICAN CIVIL LIBERTIES UNION.

Is there an organization other than the Communist Party which the AMERICAN CIVIL LIBERTIES UNION can prove did more damage to the security of the United States than was done by the AMERICAN CIVIL LIBERTIES UNION?

PART 4

SEPTEMBER 26, 28, OCTOBER 1, 5, 6 AND 10, 1951

Mr. MORRIS. Mr. Budenz, did you know Harry F. Ward to be a member of the Communist Party?

Mr. BUDENZ. Yes, sir. I knew Dr. Ward very well and over a great number of years.

Mr. MORRIS. Would you tell us the circumstances that enabled you to conclude that he was a member of the Communist Party?

Mr. BUDENZ. Dr. Ward has been active in a great number of Communist fronts, including the American League for Peace and Democracy. As a matter of fact, he was the head of that organization. In that connection, and also in connection with many other activities of Dr. Ward, he was—I won't say frequently, but not infrequently a visitor to the national headquarters of the Communist Party, consulting with members of the Politburo, sometimes in my presence.

Senator FERGUSON. A consultant in your presence?

Mr. BUDENZ. Consulting them in my presence.

Senator FERGUSON. Thank you.

Mr. BUDENZ. I also know, from conversations with Dr. Ward personally, of his Communist affiliation.

Mr. MORRIS. Mr. Chairman, Harry F. Ward's name will be turning up in forthcoming testimony, and it is for that reason that we had Mr. Budenz identify him as a member of the Communist Party while he is here today.

INVESTIGATION OF UN-AMERICAN PROPAGANDA ACTIVITIES IN THE UNITED STATES

TUESDAY, SEPTEMBER 5, 1950

HOUSE OF REPRESENTATIVES,
SPECIAL COMMITTEE TO INVESTIGATE
UN-AMERICAN ACTIVITIES,
Washington, D. C.

The committee met at 10 a. m., Hon. Martin Dies (chairman) presiding.

The CHAIRMAN. The committee will come to order.

Who is the witness this morning, Mr. Whitley?

Mr. WHITLEY. Mr. Earl Browder.

TESTIMONY OF EARL RUSSELL BROWDER, SECRETARY OF THE
COMMUNIST PARTY OF THE UNITED STATES

4482

Mr. BROWDER. Transmission belts refer entirely to the Communists' approach to the problems of reaching the masses. Transmission belts mean having Communists work among the masses in the various organizations. If you say that the leaders of the organizations are transmission belts that makes it senseless.

Mr. THOMAS. As I understand it, some of those organizations are the Workers Alliance of America. The American League for Peace

and Democracy, and the American Youth Congress. Those are three mentioned here this afternoon.

I also want to know whether these organizations can be included: The International Congress of American Democracies. That is one. Is it all right to include that?

Mr. BROWDER. I am not familiar with that particular name. If you will name the various organizations, I will tell you.

Mr. THOMAS. There is the International Congress of American Democracies.

Mr. BROWDER. I am not familiar with the name. I would say there have been those along this line that could go under that head.

Mr. THOMAS. How about the National Lawyers' Guild?

Mr. BROWDER. Yes; they are one of the organizations.

Mr. THOMAS. And the American Students Union?

Mr. BROWDER. Yes.

Mr. THOMAS. And the National Negro Congress?

Mr. BROWDER. Yes.

Mr. THOMAS. And the World Youth Congress?

Mr. BROWDER. Yes.

Mr. THOMAS. And the Southern Conference for Human Welfare?

Mr. BROWDER. Yes.

Mr. THOMAS. And the Negro Youth Congress.

Mr. BROWDER. Yes.

Mr. THOMAS. And the Consumers' National Federation?

Mr. BROWDER. Yes.

Mr. THOMAS. And the American Civil Liberties Union?

Mr. BROWDER. Yes.

In the back office, the SOUTHERN CALIFORNIANS AGAINST REPRESSIVE LEGISLATURE. There were several unidentified people working. Those identified:

[REDACTED]

Betty ROTTGER

Elsie MONJAR stated that [REDACTED] had resigned from the PEACE ACTION COUNCIL Executive Board. She told [REDACTED] that she had intended to call her yesterday but the office had been like a crazy house; the telephones constantly ringing and not only had she had to put up with that, she had also had to put up with [REDACTED] (U)

[REDACTED] stated that she felt [REDACTED] did not come into the PAC offices to work but rather she came in to conduct her own personal business. MONJAR stated that [REDACTED] was driving her crazy; that she felt she could not be trusted to do anything constructive as she feared that if it were left to [REDACTED] something would be fouled up. She stated that [REDACTED] had spent approximately 3 hours on the telephone engaged in personal calls. She had made 3 calls to local pharmacies, 1 telephone call to the AMERICAN CIVIL LIBERTIES UNION and several to other people. Something to do with medicine that the Health Department was forcing her to take.

[REDACTED] was making out checks. He had one made out to the telephone company. There was some discussion as to whether they should pay Donald KALISH any of the money they owed him and [REDACTED] decided that KALISH should be paid something.

The printing company check was also made out from them. [redacted] stated that it was tough; we just didn't have sufficient money to go around and that some people would have to wait. He said it was rather like when you had 6 kids to buy shoes for and you could only afford to buy 1 pair of shoes so all the kids would have to take turns wearing them.

b6
b7C

[redacted] told Elsie MONJAR that there seemed to be some problems with [redacted] in Ventura - the CONCERNED CITIZENS FOR PEACE and she felt at this point, it would be extremely difficult in trying to collect the debt of approximately \$193.00 which [redacted] owed to the PAC. She stated that Irving SARNOFF had told her not to alienate [redacted]. He had done some valuable work in Ventura and that it was not important to get back the jewelry he hadn't sold - only important to get the money he had collected. Elsie MONJAR became extremely irrate and stated that if it was left up to SARNOFF, there wouldn't be any PAC. SARNOFF was too soft. [redacted] then wanted to know what this was all about. After [redacted] had explained it to him, he told her "Go and get it." [redacted] asked him if he over-rides Irving SARNOFF. [redacted] replied, yes, I'm the [redacted] MONJAR then stated that she felt [redacted] was going to go get it any way.

[redacted] (ph) stated that the LOS ANGELES COMMITTEE TO FREE [redacted] had so far raised over \$5,000; that he had attended a meeting last night where 12 people had sat at a table. He stated that each one of these people had presented some constructive ideas and the blackboard was filled with future actions, rallies, and demonstrations which would be at the national level.

MONJAR stated that the Executive Board had made the decision to keep the PAC offices open but only under certain guidelines. A massive drive for financial assistance was now underway. MONJAR then stated, "and, of course, we now have Dr. SPOCK coming."

The main activity at the PAC office this date was a mail-back letter in response to the Act Pac cards which had come into the PAC office. In the mail-back letter was a letter thanking them for their donation. Each letter different because the amount of the donation coming in had been different ranging from a dollar

up to \$10.00. Also enclosed was the PAC Logo. The Logo was only sent to those who had donated financially. The contributions are not a one shot deal that are on the basis of a monthly pledge. MONJAR stated that if each individual would donate at least \$2.00 a month that this would help PAC stand on its feet. [redacted] stated that it was time her husband woke up to what was going on and that she would pledge \$2.00 per month for him in his name; that she would also make certain that the money was gotten out of his pocket. [redacted] stated, well this is where it's at and if he can't participate physically, he should try and help us financially. The Act Pac cards which have already come back into the PAC Office are being kept in 2 separate filing systems.

[redacted] stated that the week from Saturday, the VALLEY PEACE CENTER was holding a mass rally in one of the parks and that this was the first time that they had been able to get every high school in the Valley that was going to participate in this rally. She stated that literature would be put out on this and that she would make certain that [redacted] was able to get enough to circulate within the Thousand Oaks area where she lives.

All literature picked up this date is attached to this report.

The meeting started at 20:00 and ended at 22:05. The discussion continued about Hollywood High School as it was in the previous meetings. Apparently, the principal of the high school has softened his position on the dress ~~xxx~~ code and long hair.

The main subject of discussion was in reference to recruiting 300 new members for the Hollywood Chapter ACLU. Burford explained that The So. California ACLU is in bad financial trouble, so much that they had to cut employees salaries by 10%. Burford feels that by gaining 300 new members in the Hollywood Chapter he would thus gain \$4500 extra for the ACLU.

The next Steering Committee meeting will be held on January 13, 1971. The next regular chapter meeting will be held January 21, 1971 at 20:00 at the Los Feliz Jewish Community Center. There will be a panel discussion on the benefits of community control of ~~seksesky~~ schools.

DATE/TIME:

Office of the PEACE ACTION COUNCIL

ACTIVITY:

To meet with representatives of the
CHICANO MORITORIUM COMMITTEE to firm
up and make concrete plans for the
January 9th action at Parker Center.

Those present and identified this date:

Prior to the meeting starting this date, SARNOFF was talking to an unidentified individual on the telephone. He stated that he was leaving Los Angeles Friday 0930 hrs American Airlines to Chicago for the peace conference. He urged the unidentified individual to try and attend this conference, it was extremely important. He stated that he would be returning Sunday PM.

After the meeting started SARNOFF briefly discussed the Chicago conference and stated that after the conference, when people returned to the Los Angeles area, there would be many discussions and many meetings relative to the conference and massive non-violent civil disobedience here in Los Angeles in future actions.

[redacted] contacted SARNOFF by telephone in response to a phone call which SARNOFF had placed to him. [redacted] discussed the January 9th action with [redacted] and stated afterwards that [redacted] had said that he would be a monitor for the January 9th action. SARNOFF told [redacted] not to hang up, he himself wished

b6

to talk to [] He was on the phone with [] for approximately 4-5 minutes.

[] asked [] if it were true (and she stated that she had gotten this from two different sources) that [] was no longer connected with the CHICANO MORITORIUM. [] denied this and stated that he was still active with the CHICANO MORITORIUM and always had been. [] stated that the January 9th action would include Hollenbeck division of the PD, Firestone Sheriffs, Parker Center, and Compton. He was not sure how the demonstrating would go at Compton PD because he wasn't quite certain how many were going to participate in this. He did state, however, that this was being done in Compton totally by the BLACK PANTHERS and not by any of the CHICANO groups. [] told him to contact [] at Compton College, who was extremely active with the BSU. [] told her that he didn't know [] and asked her to get the telephone number of Compton College for him.

There was a discussion on monitors. SARNOFF estimated that there would be 400 individuals demonstrating at Parker Center, and so there would be a need for at least 20 monitors. [] was put in charge of buckets and red arm bands.

The two representatives from the AMERICAN FRIENDS SERVICE COMMITTEE were one male and one female. The female stated that at this time [] was out of state. She was extremely worried as to whether there would be violence on the part of the police department for the demonstrations on January 9th. There followed a very brief discussion lead by [] on what the group would do should the cops at Parker Center decide that there could be no demonstrating. [] stated that for a \$25 fine he would be willing to sit down. He then looked at [] stated, "Well, if you sit down, I'll sit down. Afterall, the only way they can move us is inside and thats really where we want to be demonstrating anyway."

SARNOFF stated that flyers had been sent to other organizations and telephone calls had been made with regards to the January 9th action. He then stated, a little uncomfortably, that he would not be in town on the 9th for the demonstration. When [] asked him where he was going, he said, "Well, I'm going out of state." He finally admitted that he was going to the Chicago conference. [] then laughingly accused him of being an outside agitator for the January 9th action. SARNOFF stated that there should be a doctor at the January 9th Demonstration incase anyone got hurt or anyone from the movement became sick. He also stated that he would contact [] and also request legal observers from the ACLU.

[] stated that Donald KALISH on previous demonstrations in

in front of the glass house had always talked, prior to the demonstration, to someone he knew in public relations and then the police department had co-operated.

[] stated, upon questioning from [] as to what phone number could be used to contact him, that there had been so much pressure by the Metro squad, LAPD Hollenbeck division, on the CHICANO MORITORIUM movement that the people had decided to temporarily close the facilities down. They had over 60 persons harrassed and arrested.

SARNOFF stated that this coming week the PEACE ACTION COUNCIL would print a fact sheet as to what had happened to the Chicanos, naming individuals and that this would be circulated at the demonstration. He stated that the only known speaker that could be obtained for the January 9th action was Jane FONDA, but unfortunately she was leaving the Los Angeles area tomorrow. The question was raised as to whether the police department would stop the movement from taking up donations. SARNOFF said that he didn't think there would be any problem providing the funds be solicited from among themselves.

b6
b7c

[] stated that in a recent demonstration which he had held in Ventura, the cops had come along to harrass them and told them that they would not be permitted to demonstrate or to hand out flyers. The question was then raised as to whether the police department could legally stop the demonstration on the 9th. SARNOFF replied that as long as the line was kept moving there would be absolutely nothing that the police department could do.

The female representative from the AMERICAN FRIENDS SERVICE COMMITTEE then brought everyones attention to a flyer which she had on the training for non-violent action, which is attached to this report, and the little sketch to the right of the flyer with a courthouse and jail, police department, a street, and an alley. She questioned SARNOFF extensively as to was there an alley anywhere near the entrance to the Hollenbeck or the Parker glass house entrance-way. SARNOFF repeatedly told her that no trouble was anticipated, that there would be very little traffic from the front of Parker Center, that the cops used their own private entrance-way which was in the back located around their own parking lot.

It was then decided that [] KUSHNER and [] would meet at the PEACE ACTION COUNCIL office Saturday, January 9th at 1230 hrs. This would then enable them to take buckets for collections and picket signs down to the location of the Parker glass house.

In a conversation, when the meeting ended, Irving SARNOFF urged [] to attempt to raise \$160 to attend the Chicago

peace conference. He said it was extremely important that [redacted] do this. He then offered to meet with [redacted] group in Ventura. He stated that the PEACE ACTION COUNCIL had sent a request out to all organizations to help financially in sending certain individuals to the Chicago conference, but at this time it was difficult to determine just how much money was going to come in for this. Therefore, he could not at this time tell [redacted] whether PAC would financially be able to help him with the plane fare or not.

End of report.

- 1) Minutes of Executive Board meeting Sept. 23 read & Approved.
- 2) REPORT FROM FRANK WILKINSON

Resume in detail of field trips, local meetings, NCARL actions, and recent developments pertaining to congressional activities, shown in attached report.

The mailing of 61,000 copies of NCARL literature prepared as an educational-action service, showing records of congressional votes on civil liberties, rights, and peace, has been very well received. A new mailing on Jan. 9-10 will list members of congress who will introduce anti-HISCO resolutions, and containing petitions calling on congressmen to vote for abolition of HISCO and against repressive legislation. (U) (C)

Discussion followed on what actions Board members can take between now and Jan. 20 when the new congress convenes. It was the consensus that delegations should call upon their Congressmen personally when they return to So. California, to obtain commitments if possible on issues of civil liberties, rights and peace. b6 b7C

Frank reported that following a meeting held with [redacted] and [redacted] it was mutually agreed that [redacted] position [redacted] NCARL should be terminated as of Feb. 15, or when, prior to that date, a suitable replacement becomes available. As National Director of NCARL, Frank is convinced that Marque is not the right person in order to make the job effective. He is not critical of [redacted] and their personal relationship has been so good that he hopes [redacted] will continue his activities with the Board as a volunteer.

- 3) REPORT FROM [redacted]

Discussing formation of an Alliance Against Repression committee no progress has been made as yet. A coalition meeting on Dec. 15 will be held for further discussion and development of a policy statement of purposes and perspectives. The success of the Chicago Alliance Committee was cited to prove what may be accomplished by such an alliance.

[] informed the Board that after agonizing consideration he feels that the administrative demands of the post, as well as his involvement in other areas of struggle, make it unsuitable for him to function [] SCARL. He paid very high tribute to Frank and Betty Rottger, as well as members of the office volunteer staff, for their cooperation.

The Board accepted the recommendation to terminate Neal's employment.

M/S/C that [] employment end Feb. 15, 1971, or any time prior by mutual agreement.

A motion made by [] was voted upon.

M/S/C that the Executive Board be consulted before commitment is made and a new director is employed.

4) [] engaged the Board in a critical discussion of the activities now taking place by SCARL and expressed the opinion that more than legislative involvement and letter-writing should be taking place. Members of SCARL should be out on the streets, he believes, in mass demonstrations, meetings, picket lines and important actions in order to be more effective.

Members of the Board feel that Frank is doing a super-human job by himself in educating and organizing. He has recently made 28 talks in the South, and is booked solidly during January.

In Nashville, he debated with Atty. General Anderson before a packed auditorium, which was also televised. ACLU is using our literature as are students and others in educational work in keeping people informed. It was the consensus that the Executive Board must be enlarged and strengthened in order to do the necessary job.

5)

A memorial service for "Greeny" will be held on Sunday Dec. 20 at 3:30 PM at Channing Hall.

6) It was agreed that a Board meeting be held every month.

Meeting adjourned at 10:45 OM.

ACLU Leader's Firing Demanded by Pitchess

BY FRANK del OLMO

Times Staff Writer

Los Angeles County Sheriff Peter J. Pitchess Thursday demanded the firing of Eason Monroe, director of the local office of the American Civil Liberties Union.

The demand came in a letter directed to Monroe and Ernest Angell, chairman of ACLU's board of directors, in which Pitchess cited allegedly contradictory statements made by Monroe concerning the riot in East Los Angeles Sunday.

Pitchess said that on Monday Monroe directed a telegram to him commending the sheriff's office for its "cooperation" and "responsiveness" regarding preparations for the Chicano Moratorium Committee rally and deploring the violence that broke out afterwards.

Monroe's wire also said the violence could not be attributed to any "immediate actions" taken by sheriff's deputies.

Pitchess said that Tuesday Monroe sent another telegram which began, "Do not include us in your list of those who approve the way sheriff's deputies handled the outbreak of rioting in East Los Angeles Sunday afternoon." Monroe added, "We condemn the method of riot control"

subsequently employed in the trouble that followed."

(In this, Monroe was apparently referring to some deputies' use of shotguns and service revolvers in dispersing a hostile crowd. One person was killed and 19 others were wounded.)

Pitchess' reply to Monroe said in part, "Since there is no indication of organizational sponsorship, we can only consider your messages personal expressions."

Pitchess' letter also alleged that Monroe's "contradictory statements" represent a "personal endorsement of anarchy in the streets" and "confirm (Monroe's) identity as a provocateur."

"A man who chooses obviously not to recognize the distinction between civil rights and civil war should (not) be endured," Pitchess' letter added. It called on Angell—who received a copy of the letter—to terminate Monroe's activities as executive director of the ACLU office in Los Angeles.

Pitchess concluded that Monroe "is rendering a grave disservice to your organization and to the peace and security of all the people of this community."

LA 100-3267

"Report on Beverly Hills Branch of the American Civil Liberties Union Meeting
Temple Isaiah 10345 W. Pico
Los Angeles, Calif. 1-20-71

"Meeting scheduled for 8PM. 50 cents admission charge.

"About 250 people attended. Approximately half or more over 50 years of age. About 20 of hippie appearance and about 20 Negros in the crowd.

"Free booklets from the American Civil Liberties Union were available, also items for sale, a booklet and bumper sticker.

"A large sign above stage read,

"Russia, Let the Jews Go" and a similar sign was outside near the roof.

"A woman in her twenties, named GOLDBERG, introduced herself as a leader in the Beverly Hills American Civil Liberties Union.

"She had blonde hair and was white.

"She called for nominations for a delegate to the Southern Calif. Civil Liberties Union.

"She said a JOHN EVANS had been nominated earlier.

"A woman nominated, ROSALEE GOODMAN.

"Another woman nominated, ELENORE LEVINE.

"Others spoke low and could not be heard as to other nominations.

LA 100-3267

"A BUNNY MOSES, a heavy-set, white woman with glasses was hostess for the meeting.

"The GOLDBERG woman announced that the Temple Isaiah in no way was connected with the meeting, that the Temple was only rented for the meeting.

"She said phone threats had been received at the Temple, one of which was "why are you allowing Communists to use the Temple".

"BUNNY MOSES introduced the first speaker after GOLDBERG said RAMSEY CLARK would speak at a future American Civil Liberties Union dinner. Dinner charge #17 and CLARK named American Civil Liberties Union Man of the Year.

"The first speaker was announced as Dr. WOLFENSTEIN, Sociology Professor UCLA.

"He spoke on the life of ANGELA DAVIS, from her birth, schooling, her desire to help her people, what he said was her first-hand experience of prejudice she learned as she grew up in the South, her efforts to help the Soledad Brothers, and her capture on a charge, he said was illegal and false.

"DOROTHY HEALEY was the next speaker.

"She said the reason the Communist Party stands for the defense and freedom effort for ANGELA DAVIS is that DAVIS is a political prisoner and is innocent.

"HEALEY said ANGELA DAVIS turned to the Communist Party because DAVIS knew of the oppression of the black, brown and red people in the United States.

"A JOHN SEGAL, the next speaker was introduced as an attorney. White, about 27.

LA 100-3267

"(In the Los Angeles phone book yellow page, under attorneys a, JOHN M. SEGAL, 5455 Wilshire, Los Angeles is listed).

"JOHN SEIGAL stated that the charge against ANGELA DAVIS was not legal and that her case could be heard by a judge or a jury.

"He said to get a jury of her peers could be a difficult task and to get a fair trial after all the press, TV, exposure on the alleged use of her guns in the escape attempt, etc., would be very difficult.

"SEIGEL called it a political trial and spoke on legal aspects, etc.

"The last speaker, was a TUG HAYS or HAYNES, a Negro about mid-twenties or more, very dark, stocky build.

"It was stated he was with the National Committee to Free Angela Davis and offices located at, 3450 W. 43rd. St., Suite 104, Los Angeles, Calif.

"HAYS or HAYNES said, "notice we say for the freedom, not defense of Angela Davis".

"He said she has good lawyers but one moved his family to Calif. for the trial and the others too, live good, so the cost will be great.

"He stated the trial will cost about \$500,000, for her defense, so donations are needed but will not be a money changer in the temple. He added that donations could be given in the lobby, also that pins, pictures, booklets, etc. are on sale.

"He said the articles cost money, the lawyers, and bail for DAVIS will all have to be taken care of by the public's support for ANGELA.

LA 100-3267

"He said at UCLA, Dr. WOLFENSTEIN said the faculty, non-teaching workers, and students have their own groups to aid ANGELA.

"The National Committee to Free Angela Davis he said works with all groups.

"He said he is not a Communist but they accept help from all political beliefs, races, etc.

"HAYS, HAYNES, etc, said when a reasonable bail is set, you can help by giving \$10,000, or placing one's home as security or a factory, or even one dollar.

"He said the trial could last one to one and a half years and they don't want ANGELA to suffer in jail any longer than they can help avoid.

"He stated a long stay in jail can effect some people so they want to get her out as soon as a reasonable bail is set.

"A question period was held and one man asked HEALEY what she thought of all the Russians gilled because of politics; is there a counter-part to her in Russia, and her opinion on violence?

"HEALEY replied she was against violence and that there is a better way, by winning the minds of enough people until they change this evil capitalistic system.

"She said she will back those who use violence if they are fighting for the people and the same goals as she is.

"HEALEY said violence in Socialist nations does not compare to the violence of the imperialists of the world.

"She said of her counter-part in Russia of course there is dissent in Russia and when the whole world changes

LA 100-3267

and it's accepted, then it'll be a fine world.

"She stated she was in jail at 15 for joining drive to get unemployment pay and now it's an accepted thing of the nation and other countries.

"HEALEY said she has been in jail several times, once on the Smith Act, for anyone who used the CARL MARX saying, "Smash the bourgeois", was jailed.

"Another nam asked, "why did ANGELA DAVIS flee Calif."?

"Dr. WOLFENSTEIN said what would one expect, ANGELA saw BOBBY SEALE gagged in court, knew how JACKSON of the Soledad Bros., was charged with murder of a guard when JACKSON was locked in another quarter of the prison at the time, how HUEY NEWTON's life was at stake, and other examples, so what should she have done, walk into the jail and say here I am?

"WOLFENSTEIN said, as to having the guns, anyone could have taken the guns without ANGELA's knowledge.

"If she was riding around with the one JACKSON brothers, her bodyguard the guns could have been taken by anyone for you wouldn't lock your suitcase if traveling with friends or a relative, WOLFENSTEIN said.

"He stated she would not have signed for guns, giving her name, etc., if they were to be used a few days later in an escape attempt so it must be provened she knew or planned for there use and this can't be provened.

"He said any liberal person needs protection and that after her Communist membership was made known, threats were made on her life, so of course one would carry protection.

"The man who asked the question, replied he would.

'LA 100-3267

have turned himself in, and this met with a profane remark from someone in the audience and mild mumbles of dissent on his view.

"The speakers had received good applause through their speeches during the evening.

"A teenage appearing white boy asked if HEALEY would still be for ANGELA if it were true she was in on the escape attempt.

"HEALEY replied of course, just as she is for the priests, the Berrigans who are in prison, for they are for the people.

"An announcement was made that a protest in front of the Los Angeles City Hall would be held on ANGELA DAVIS birth date, 1-26-71 and that as many as possible show up from 3 to 6 PM

"Also that people could sign birthday cards to ANGELA. The cards were in the lobby.

"About a dozen people including Dr. WOLFENSTEIN were wearing red buttons, "Free Angela Davis".

"The meeting ended after 10PM but coffee and cake would be available if one wanted to stay to meet the speakers.

"Anyone who wanted to join ACLU was asked to do so."

Dorothy Healey---said in effect---

U.S. capitalist system was responsible for imprisonment of Angela Davis.

Angela Davis case was a product of the system under which minorities lived in U.S.

Equated Angela Davis case with case of bombing of the Times building by the McNamara Bros.

The oppressive capitalist system caused such actions by people who became frustrated when their voices for change in that system were unheard by the establishment.

It was necessary for people to turn to violence and destruction as the only means to make themselves heard. Cont'd.

Debate--Dorothy Healey vs ACLU Jan.28,1971

Jan.20,1971--8PM--(All names phonetically spelled) 3.

Dorothy Healey--cont'd--Said in effect--

Quoted Thoreau re:Frustration, violence, hopelessness due to political and social conditions.

Quoted Debbs re: Bombing of Times Bldg. by McNamara Bros., statements to the effect that McNamara Bros. were not responsible for their actions because they were driven to violence by the political system under which they had struggled to change by other means.

It was the system in U.S. which was responsible for entire Angela Davis case.

Angela Davis was a political prisoner of racist capitalist system in U.S.

The only way to stop such political imprisonments was to work for a change to socialism.

Socialism would mean freedom justice for all black, brown, Indian brothers in U.S.

Urged people to consolidate and fight for change to socialism.

Was unimpressed with such small crowds who ^{now} took part in demonstrations for social and political change-change which would give minorities freedom and justice.

In the past, especially during early days, when workers took to the streets by the thousands and thousands.

Above demonstrations were very impressive-made gains because they involved thousands. Urged people to participate.

In Marin County it would be impossible to select a jury of peers to Angela Davis.

It would be necessary for lawyers of Angela Davis to call for a change of venue.

Headed a committee to raise money and help for Soledad Bros.

Angela Davis was concerned over cruel treatment of Soledad Bros. in prison, especially George Jackson.

George Jackson had spent ten years in prison for theft of \$ 70 from a gas station.

He was sentenced to life imprisonment for above theft.

He was blamed in death of prison guard, later.

Angela Davis was sent to prison for allegedly trying to help Soledad Bros. escape.

Case against her was not strong--she was allegedly seen in company of young brother of George Jackson.

Was allegedly seen in Marin County before judge was killed.

Angela Davis was being persecuted by the system, in U.S.

On the night of Wednesday, Jan 20th, 1971, this report writer attended a special panel lecture program called "Law and Justice: The Case of Angela Davis". Key speaker was Dorothy Healey, of the Communist Party U.S.A. Program held at Temple Isaiah, 10345 West Pico Blvd., Beverly Hills, Calif. Sponsored by the Bev. Hills - Westward A.C.L.U.

Persons noted present at this gathering; Dorothy Healey, Professor Wolfenstein, Fred Day, and believe Attorney named Mr. Alt. Several Black Panther Party members also noted in audience, names not known!

Meeting began about 8:15 pm led by unidentified white medium built dark haired girl. First speaker was Prof. Wolfenstein who stated he knew Angela at the University of California at Los Angeles. She was a beautiful person, highly intelligent, and filled with new radical ideals. She was not a conformist, and this made her a target by the Establishment's rules.

When Dorothy Healey spoke she stated that this was not just an attack on Angela Davis, a Black Communist, but an attack on all members of minority groups, Jews, Mexican-Americans, and Indians, too. Particularly those who stood up with racial pride and put forth new radical ideas of change for our sick society. When asked by a member of the audience "Just how much has the Communist Party put into the Angela Davis Defense Fund so far?", (cont.)

1/24/71

Jan 24th, 1971
Los Angeles, Calif.

(cont.) Dorothy replied, "I do not know at this time, - I'm not keeping the accounting books."

When the attorney spoke he stated that Angela was such a dynamic person she had to be ^{Bd} ~~an~~ part of her own defense team. Her spirit was high, even though she faced the death penalty if convicted. How could anyone believe a woman of her intelligence would buy guns in her own name to be used in a kidnapping plot. He hammered away on this point strongly! A Black militant male spoke for the ^{Bd} Defense Committee. Collection was taken on a donation can basis as the audience left. Do not believe audience completely won over to ^{Bd} ~~Angela~~ Angela Davis cause. One conversation heard later by members of the audience, "Why did Angela run and hide if so ^{Bd} ~~innocent~~ innocent?" "She never did say if the guns were bought by her, or even stolen from her." Attorney, during program, stated that anyone could have a gun bought for protection stolen from them by a friend.

Program over by 10:00 pm. End of Report

P.S. Dorothy Healey also stated that although the Party advocates a social revolution it still does not advocate violence. But, she would defend any militant's views - but not his form of expression if violent. "Free Soviet Jews" signs inside and out of temple. ^{Bd} ~~Free Lance~~

Rose Chernin said that Gus Hall and Henry Winston asked her to come to New York, last year to talk about the National defense committee. She said that after she talked with them in New York, she decided that she did not want to head a national defense committee. She suggested that they contact Frank Wilkinson about it. They then paid Wilkinson's fare to New York. When Wilkinson was in New York, he had a serious argument with John Abt about some part of the Mc Carron Act. Wilkinson then left and he did not become involved with the national defense committee. b6 b7C

Rose Chernin asked [redacted] if he would take over the LACDBR. He refused. Chernin told the group that she is tired and does not want to be director of the LACDBR any longer. She asked [redacted] if he thought it would be feasible to place the LACDBR as a sub-committee of Frank Wilkinson's committee. [redacted] said he thought it would be a good idea. Rose Chernin, Joe Roberts, and [redacted] made plans to meet in two weeks with Stephen Fritchman to discuss plans to merge the LACDBR with Wilkinson's committee. [redacted] was told to keep this a secret. Chernin said that not even people on the LACDBR staff must know about it yet. (U) (C)
